Title One Program

Fort Vannoy is a school-wide Title One School. Our Title I funds go to provide supplemental support in the areas of reading, math, science, and technology.

Annually we will make available the following opportunities for parent involvement to the families we serve.

What is "Title 1"?

- Title 1-A is the United States Government's largest education assistance program for schools.
- Funds are used to provide programs to help children who are struggling in reading and math.
- Extra help (in addition to what they learn during math and reading time in the classroom).
- During our annual fall Open House current Title One information will be disseminated.
- We host fall and spring events to bring families on campus.
- We will partner with PTO to support our students.

Title I supports student achievement and academic growth. Funding provides additional classroom resources & learning opportunities. • Funding provided under ESSA
