**Re:** Board Report

---

For the past few weeks both Football and Volleyball have been preparing for their respective seasons. The 7<sup>th</sup> and 8<sup>th</sup> grade Football teams traveled to Syringa Middle School for a successful scrimmage and the 7<sup>th</sup> grade team also played host to Middleton last week. This week will be the formal start of competitive games for both programs.

The 7<sup>th</sup> and 8<sup>th</sup> grade Volleyball teams have a combined 38 student-athletes participating this year. Dave Hann and Debby Turner return as the 8<sup>th</sup> and 7<sup>th</sup> grade coaches respectively. Our Football program has 44 student-athletes combined and are led by Jamie Mertz and Steve Kincheloe.

Homedale Middle School looks primed for another competitive and successful year on the athletic front. We will continue to further the tradition of excellence and promotion of high standards with all student-athletes.
