New Buffalo, MI 49117

Dear Wayne Butler, Dr. Jeff Leslie, and Chuck Heit:

Recently your High School Band traveled to Orlando, FL. with our company, Educational Tours, Inc. We want to congratulate you on the outstanding group of talented young people you have! They proudly represented your community and the music program through their performance in the Walt Disney World Magic Kingdom March. We received wonderful reports about their excellent behavior from their Tour Manager. I know you must be very proud of them!

Thank you for choosing Educational Tours, Inc. as your student travel specialists, and allowing us to be a part of your music program by providing your group with these experiences. We look forward to serving the travel needs of more groups from your school district in the future.

Sincerely,

Cherie Oxender
