TO: Board of Trustees

FROM: Jason Osborne, Chief Innovation Officer

SUBJECT: **DISCUSSION OF AND REQUEST FOR APPROVAL OF NIMITZ MIDDLE SCHOOL, FALCON ECHS, AND OCTECHS STUDENTS' OUT-OF-STATE TRAVEL TO CHANTILLY, VIRGINIA AND WASHINGTON, D.C.**

DATE: May 14, 2019

The Innovation Department requests approval for students from Nimitz Middle School, Falcon Early College High School, and OCTECHS to attend and present at a Mission 13 Students Spaceflight Experiments Program Conference. The conference will be held at the National Air and Space Museum in Chantilly, VA from July 1-2 as well as an excursion around our nation's capital in Washington, D.C. from June 28-July 5, 2019. The trip provides students the opportunity to present their research in front of a national audience and experience our nation's monuments, memorials, history and museums.

Administrative Recommendation:

Approval of Nimitz Middle School, Falcon Early College High School, and OCTECHS students Out-of-State travel to Chantilly, VA and Washington, D.C.
