SUBJECT: Recommendation to Award the Pilot Boiler Replacement Bid

I am recommending and seeking approval to award the Pilot Boiler Replacement Bid for Frost Middle School, to Contrast Mechanical for a cost of \$119,000.00, using the Sinking Fund, page 13. Below is a list of the vendors that participated in the bid:

Contrast Mechanical	Macomb Twp., MI	\$119,000.00
Temperature Services, Inc.	Livonia, MI	\$126,848.00
William E. Walter, Inc.	Saginaw, MI	\$129,800.00
Hayes Mechanical	Saginaw, MI	\$142,995.00
Miller-Boldt, Inc	Sterling Heights, MI	\$144,500.00
Johnson & Wood, LLC	Burton, MI	\$163,400.00
Great Lakes Mechanical	Dearborn, MI	\$203,000.00

Rationale: The existing boilers at Frost are over twenty years old and coming to the end of their life cycle. This pilot program will build efficiency in all our boiler plans to save energy dollars for Livonia Public Schools.

If you have any questions regarding this matter, please contact me.

Thank you.
