Re: March 2014 TAKS Exit Level Retests Results

The attached chart represents the results of the March 2014 TAKS Exit Level Retests for South San Antonio High School. The retests were administered March 3-6, 2014.

These results are official and were posted by the Texas Education Agency (TEA) on April 18, 2014. Copies of the Confidential Campus Rosters and Summary Reports have been provided to South San Antonio High School and to the Office of the Superintendent.

South San Antonio High School personnel have notified students of their results. Those students who only needed a TAKS test for graduation and passed during this retests administration will be awarded a diploma as part of the class of 2014.

If you have any questions, please contact me through the Office of the Superintendent. Thank you.
