1. Board Goals :

DOMAIN 1: High Quality Curriculum and Effective Instruction

DOMAIN 4: Alignment of Financial Well Being with Student Achievement

2. Background:

At the July 21, 2025 School Board meeting, the board approved charging parents for the PK-3 wrap-around daycare services that go beyond the state funded school day for students who are three years old and qualify for the program. Many of the parents who qualify have applied for supplemental funding through the Texas Workforce Commission however, the waiting list is 600 children long and funding is uncertain.

Due to the concern of not giving parents enough time to plan for paying this cost on September 1, this item is back on the agenda to consider approving the funding through the district for the fall semester for the parents who are on the waiting list for funding through the Texas Workforce Commission. It was suggested that a reasonable amount of notice will have been given if the district starts to charge parents January 1, 2026.
