

Personnel Resignations and Recommendations

For Tuesday, June 20, 2024

Background:

Under Iowa Code 279.12, the school board has the authority to employ teachers, other licensed professional personnel, and support personnel, and determine their salaries. I am requesting board approval for the personnel issues listed below. I recommend the Board . . .

- Accept the resignation of Craig Johnson as 7-12 Industrial Technology Teacher.
- Assign Emily Dougherty as JH assistant softball coach.

Recommended Action:

I recommend the board approve these personnel issues in a single motion.
