Great idea. We will get it on the agenda for Monday.

Good Morning,

For some reason, MN-DOT's original email to me is too large to allow me to forward it to you. I have tried several times, so I am below as well as attaching MN-DOT's attachments.

The BHS Student Council would like to pursue taking on this Adopt a Highway responsibility. I have seen several other student communities, and we have a great group of student council kids and a great opportunity to help our community while providing a spoke with the regional manager on the phone yesterday, and MN-DOT is saving this stretch of Highway 92 starting at the Clear road, moving past our high school, and ending two miles north of town close to the intersection of County 45 or 370th Street for approval process. I have been watching this stretch of Adopt a Highway for a couple of years because it is the perfect location for transportation since it is right outside our high school doors. With your blessing, we will bring this to the next school board meeting (unless it can be added in this upcoming Monday's board meeting).

Here are the emails:

Hi,
My name is Perry Nelson. I am the Bagley High School Student Council Advisor. I just saw that the adopt a highway stretch on Highway 92 running north from the Clearwater County Fairgrounds from there is available. Bagley High School Student Council is interested in taking this on.
What is the process?
Thanks,
Perry

MN_DOT Adopt A Highway District 2
to me

Good morning Perry,
Thank you for calling yesterday, I appreciate your Student Council wanting to volunteer. I've attached the two-year agreement for you to complete. If you have any questions, please let me know.
I know you mentioned you have to request School Board approval. I'm not sure if I mentioned yesterday but the program is free. I've attached additional information to support this. I'll reserve this spot for your group until I receive notification it's been approved. I'm very familiar with the world of the school board so please don't worry, I won't assign it to anyone else.
Have a great day and a wonderful weekend!
