BOARD OF TRUSTEES

Date: September 21, 2017 Presented By: Dr. Puig

Subject: 2017-18 Goals Related Page(s) 1

Action

BACKGROUND INFORMATION:

On July 31, 2017, Dr. Rick Alvarado facilitated a Tier 2 board-superintendent workshop focused on goal-setting. Based on feedback from the workshop, the superintendent was asked to create new goals aligned to the strategic plan, focusing largely on teaching and learning.

In addition, the DEIC (District Education Improvement Committee) met on August 16, 2017, to discuss goals encompassed in the district and campus improvement plans.

The attached proposed goals represent a triangulation of the aforementioned activities.
