Election Statement:

As a candidate for the MASB Board of Directors, my commitment to education is evident through my nine years of dedicated service on the Ypsilanti Community Schools Board of Education, where I currently hold the position of Vice President. My extensive experience in educational governance has provided me with valuable insights into the challenges and opportunities facing our schools.

I am deeply involved in the Michigan Association of School Boards, participating in various board subcommittees and actively engaging with the community at district events. My volunteer work at Joyful Treats Community Development Corp., led by Ms. Khadija Wallace, underscores my commitment to serving the broader community. By distributing food to the Ypsilanti Community and surrounding areas,

I contribute to the well-being of our residents beyond the realm of education.

Student safety is a top priority for me. I am proud of our collective effort to empower teachers, administrators, and staff through training programs such as A.L.I.C.E., Threat Assessment and Mental Health First Aid. Ensuring a secure environment for our students is crucial, and I am committed to fostering a culture that prioritizes their well-being.

One of the pressing issues we face is youth homelessness. Research has highlighted the alarming rates of homelessness among young adults, a situation that demands our immediate attention. While Ypsilanti Community Schools has commendable programs addressing this concern, I believe that a collaborative, all-encompassing approach is necessary. I am determined to work towards expanding and enhancing initiatives to support homeless youth, ensuring they have the resources and opportunities they need to break free from the cycle of homelessness.

In seeking a position on the MASB Board of Directors, my goal is to leverage my experience, passion, and dedication to effect positive change in education. I believe in the power of collaboration and aim to bring diverse perspectives to the table to address the multifaceted challenges our schools face. I am committed to making informed decisions that benefit all stakeholders, with a focus on student success, safety and well-being. Your vote for me is a vote for a stronger, more inclusive education system that prepares our youth for a brighter future. Together, let's build a foundation for excellence in education and ensure that no student is left behind.

Election Statement:

It has been my honor to have spent over 40 years serving students, teachers, schools and educational organizations. I have gained a wealth of experience that has served me well during my service as a trustee.

I began my career in the classroom as an ELA and Special Education teacher. I also taught ESL for a year in Japan. After authoring a book for teachers and parents, "Meeting the Internet Challenge," I shifted gears to help train teachers at The University of Arizona. I earned a doctorate in Education and trained to be a school administrator.

That career path was altered when I became a professor of Teacher Education at Eastern Michigan University. In that role, I earned a reputation for my ability to explain policy issues and plan strategically. Most recently, I have been working with faculty and students as we manage both the disruption and the potential of AI in our classrooms.

Seven years ago, I sought a seat on our local school board because I wanted to be part of an engaged board focused on the needs of our students and the community. I was pleased to discover that the solid expertise of MASB was there to assist us as we worked through our district's challenges.

Since I was elected trustee for Saline Area Schools, I have served as that board's Secretary, Vice President and President. I was also the Washtenaw Association of School Boards president.

From my first day as a trustee, I embraced MASB's CBA program and was recently notified that I will receive the President's Award this spring. I am honored by that recognition.

MASB takes principled stances on current educational issues and provides much-needed guidance about legislative initiatives. I recently began serving on the Governmental Relations Committee and have enjoyed our vigorous debates in service of the districts we serve.

MASB has offered clear guidance, excellent legal support and superb trustee development. For those (and other) reasons, I am proud to run for a seat on its Board of Directors and to represent Region 7. Service on the Board of Directors would provide me an excellent opportunity to help MASB stay the course and continue providing such excellent support to newly elected and long-serving trustees.

Election Statement:

As a Board of Education Trustee, I feel we are the voice for our children. We need to utilize this voice to ensure we can offer our children the education they deserve, regardless of the struggles we face behind the scenes. We need to direct this voice to those that create legislation we feel will adversely affect public education and remember to offer praise to those that show us favor and offer to help. I believe the voice of our boards and communities can make a difference.

I have strived to become the best board member I can be. The way I have tried to accomplish this is to become certified through the MASB's CBA program. I have gained a wealth of knowledge by attending classes, conferences and other various events as well as networking with board members from around the state.

Public education is as diverse as our country. There are no single fix-all solutions that work for every school district. I feel bringing the voice of small communities and small districts to the forefront is important. I would like to continue advocating to provide adequate and equitable funding for ALL districts. Adequate funding is sufficient funding to provide basic schooling. Equitable funding is based on fairness.

I have served the Potterville Public Schools Board of Education for eight years. During this time, I served on the Policy, Community Relations and Technology Committees, as well as Secretary and Treasurer of the board. I have been an Eaton RESA Trustee for seven years, serving on the Building and Grounds and Finance and Audit Committees as well as Secretary, Vice President and Treasurer. I am currently serving again as President.

Additionally, I have served MASB as a member of the Curriculum and Instruction Committee, Government Relations Committee plus served as its Vice Chairman. I just concluded my term on the Resolutions and Bylaws committee as its Vice Chairman and am currently serving again on the Government Relations Committee.

I would be honored to serve on the MASB Board of Directors, to represent you, our Region, and our students plus bring your voices to the table to further benefit the future for public education.

Election Statement:

BACKGROUND:

I earned my bachelor's degree in K-12 music education and my master's degree in K-12 administration and educational leadership. I was a public-school music teacher in southeast Michigan for 16 years - I have taught all grade levels, Y5 - 12, and a variety of content areas including general music, band, entrepreneurship and technology. My years of service have given me insights into the changing needs of our students, the new realities in our classrooms, and the important roles teachers, support staff and administrators play in the lives of our students and our community.

I serve on the Monroe Public Schools Board of Education and I am entering my second year as board secretary. I enjoy learning and I take every opportunity to educate myself about effective governance and how to be an effective board member. Since May 2023, I have earned an Award of Merit, Data Specialty, Advocacy Specialty and I am a member of the MASB Resolutions and Bylaws Committee.

PERSPECTIVES ON EDUCATION:

I believe our institutions are compelled to provide educational experiences and environments where all students and families are valued and supported. It is my belief that curricula and learning opportunities must provide high-quality content that reflects the people, the histories and the experiences of the communities we serve. I believe children are more than test scores and that school districts, along with community partners, need to prioritize individual student growth and well-being above summarized standardized test data.

WHY I WISH TO SERVE ON THE BOARD OF DIRECTORS:

One of my main goals as a board member is to advocate for our students and families by amplifying the voices of our school community members. I view the opportunity to serve on the MASB Board of Directors to continue this work on a larger scale. Region 7 embodies complex diversity, and my goal is to express the distinct needs represented in our districts at the MASB board table.

There is significant potential to increase MASB organizational engagement in southeastern Michigan. Increased association engagement will have a ripple effect. Increased MASB participation leads to increased board member development which leads to more effective governance which leads to positive trends in district outcomes. I believe serving on the Board of Directors will provide the needed stimulus to initiate conversations surrounding MASB opportunities while strengthening the network connecting our area school boards.
