Re: Strategic Plan – CHARACTER; “Finding Kind” follow-up

CISD and the City of Coppell hosted “Finding Kind” an anti-bullying presentation aligned with the CISD Strategic Plan and the City of Coppell’s health initiative on March 20, 2012. I would like to give a follow-up of the presentation and update the Board on the following:

1. Information on the break out sessions
2. Feedback from the facilitators
3. Follow up/next steps – Where do we go from here?
