Hello,

The Data Branch is submitting a public records request for vendor procurement records.

Pursuant to the Illinois Freedom of Information Act (5 ILCS 140)

**Scope of Request:**

All products from: 95 Percent Group, Core Learning Edmentum, , iStation, IXL Learning, Amplify, Curriculum Associates ( i-Ready Learning), Imagine Learning.

Our goal is to identify records from 2022 to now that show the pricing arrangements associated with these vendors, such as licensing or subscription terms, per-unit costs, and any implementation or setup fees that may apply.

The types of records we are interested in include:

- Contracts, service agreements, and order forms
- Purchase orders associated with the above vendors
- RFP or solicitation documents
- Task orders issued under cooperative purchasing agreements

To make fulfillment as easy as possible, we are willing to receive records in whatever format is most convenient, including:

- Spreadsheet exports (preferred)
- PDF or Word documents
- Standard ERP or finance system reports
- Any summary-level purchasing records your office already keeps on hand

If any part of the requested records is exempt, kindly redact only the exempt material and provide the remaining segregable portions.

This request *is* being made for commercial purposes. We are committed to complying with any applicable procedures Summit Hill School District No. 161 follows for public records requests, and we are happy to refine or scope down the request if that would make fulfillment more manageable.

Please send responsive records by replying to this email or to Everett Sloan at the following:

We appreciate your help and look forward to a prompt response. If this request belongs with another agency or department, please forward it to the appropriate custodian or let us know. Thank you for your cooperation.

Sincerely,

Everett Sloan
