## Letter of Recommendation for the Extra Mile Award

To the Selection Committee,

It is with great pride and enthusiasm that Rocky Mountain Junior High nominates our **Main Office Administrative Assistants—Cindy Campbell, Jennifer Hougaard, and Julie Gochis—for the Extra Mile Award**. This award recognizes the very best of collaboration, dedication, and service in Weber School District, and there is no team more deserving than these three extraordinary women.

Cindy, Jennifer, and Julie are the **heartbeat of our school**. Their teamwork is seamless, their energy is contagious, and their commitment to students, staff, and families is unmatched. They manage every aspect of school operations—finance, attendance, testing, Chromebooks, substitute coordination, staff morale, event planning, the copy center, and many more things—yet they make it look effortless. Whether calming a worried student, supporting a teacher in need, or welcoming a parent into the office, they handle each task with kindness, professionalism, and care.

What makes this team exceptional is not just what they do, but *how* they do it. They work in perfect harmony, anticipating each other's needs, dividing responsibilities with grace, and lifting each other up along the way. Their teamwork sets the tone for our entire building; their unity inspires all of us to collaborate more effectively. They truly model the strength that comes when individuals come together with a shared purpose.

This team embodies every aspect of the **Weber School District vision**:

- With **CHARACTER** as their guide, they treat every student, parent, and staff member with dignity and respect.
- With **COMMITMENT** as their foundation, they ensure the smooth daily operation of our school, no matter the challenge.
- Through strong **CONNECTIONS**, they build trusting relationships that strengthen our entire school community.
- And with **COMMUNITY** as their strength, they unite staff, students, and families, creating a school environment where everyone feels supported and valued.

Quite simply, **they are the face of Rocky Mountain Junior High**. Their warmth, positivity, and tireless service ensure that every person who walks through our doors feels welcomed and cared for. Their influence reaches far beyond the office—they are the glue that holds our school together.
