March 7th, 2024

To Whom it May Concern:

I am writing to formally resign as secondary teacher for Kokhanok School following the end of the 2023-2024 school year.

I am truly thankful for the opportunities the district has afforded me and it is with tremendous sadness that I resign. The kindness of the staff, administration and community I have been so lucky to be within has been an unparalleled experience for me. I have been tremendously privileged to carry out my first year of teaching within your district. Unfortunately, family matters have become too pressing for me to stay so far removed from them. It is in the best service of the students to have a teacher who can be fully present. Because of these personal matters I know I will not be able to be that teacher in the next school year for them. Understanding that I will not be able to best serve the students or my family in the coming year if I stay here has led me to the conclusion resignation is the proper course of action.

I appreciate the opportunities for growth and collegial environment this district fosters. Getting to know these students and be a part of their lives this past school year has been something I will never forget. I am very sorry to leave. I do not feel in any other district or setting I would have grown as much, the people who have surrounded me have been constant role models and examples of the human I want to be.

I will continue to stay dedicated to the students and community for the rest of my time here and will work to make the transition as seamless as possible for the coming teacher.

I offer my sincerest thanks to the district for this experience and opportunity and am deeply apologetic that I could not stay longer.

Thank you for your time,

McKenna Campbell-Fox
