K-2 Classroom: JoAnn Powell

We had our second attendance incentive on Friday, January 19, 2024. Students went bowling in Cut Bank. All the students, staff, and volunteers had a great time.

K-1 continues to focus on SEL (Social Emotional Learning). We are talking about why feelings are important and how to spread kindness with positive words. K-1 made good luck cards for a classmate who moved to a new school. Kindergarten is continuing to learn letters of the alphabet along with counting how many syllables are in a word. First grade is learning their long vowels and are reading and writing simple sentences. In math, Kindergarten learning about the comparison of length weight, capacity, and numbers to 10. First grade is learning sums and differences within 20.

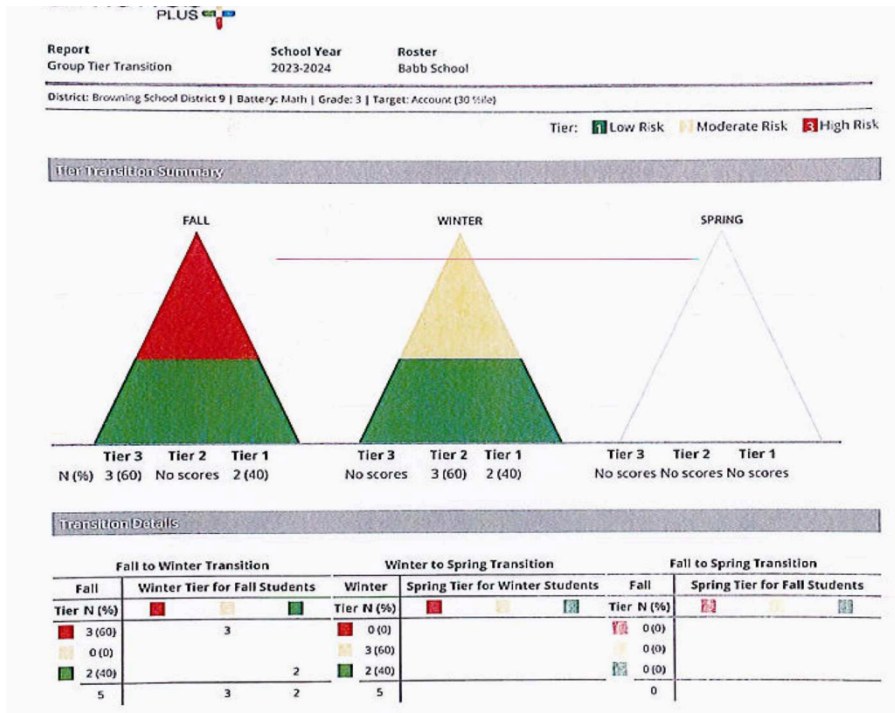

All students in Kindergarten and first grade have completed their Winter AimsWebPlus Assessments in both Math and Reading.

Results for the k-2 AimsWeb will be on the March report
