Update Contact Information

Parents please make sure your contact information is UpToDate to ensure timely communication.

ParentSquare

Jarrell ISD uses ParentSquare for teacher-to-parent communication. ParentSquare is designed to keep parents informed and facilitate participation at school. It provides a safe way for teachers and parents/guardians to communicate.

Last year, we used ClassTag as our teacher-to-parent communication tool. However, after the feedback we received, it was clear parents wanted a change. We will now use ParentSquare. It offers a streamlined and user-friendly experience with features that enhance communication and engagement.

ParentSquare automatically generates an account for each parent, using their preferred email address and phone number. The accounts are generated regardless of when a parent enrolls their child. This platform is strictly for teachers and parents. The district and campus principals will continue using the current mass notification system to share information.

***NOTE for Current Families:** Accounts have been preloaded with parent and student information from the 2023 - 24 school year. As we transition to the 2024 - 25 school year, new information

Khan Academy

A great resource for students is the Khan academy. The organization has resources for most students grades and specifically high school. Most high school subjects are supported.

In a [recent study](#), students were over twice as likely to meet grade-level standards with Khan Academy. Districts across the country are partnering with us to ensure all their students succeed.

The link to Khan Academy is located at www.khanacademy.org

Attendance Matters!

Excessive absences place your child at risk of losing credit for the semester or the year. State law requires at least 90% attendance which allows for only 9 absences each semester of the school year to gain credit or be promoted. Attendance has a direct impact on a student's ability to learn. Please help us give your child the best education possible by ensuring they are in regular attendance at school.

Attendance Matters

Every student. Every day.

Jarrell High School Song

For Jarrell High, we'll always be in line,
 For blue and white forever, we will shine,
 We cherish every wall, and all that's here,
 And ne'er forget to BOOST and CHEER!
 So let us bow to dear old Jarrell High,
 And let our song swell up to the sky,
 We'll fight for all that stand for
 TRUTH and RIGHT
 TRUTH and RIGHT
 RAH! RAH! RAAHHHHH!
 YAY BLUE, YAY WHITE, YAY JARRELL
 FIGHT! FIGHT! FIGHT!
