

SUBJECT: Consideration and possible revision of FDE (LOCAL) Admissions School Safety Transfers.

BACKGROUND: Recommended revisions to this policy include adding “bullying” as an offense for which the district must collect and maintain data. This revision aligns with the *Unsafe School Choice Option Guidance Handbook* published by the Texas Education Agency; accordingly, a student who is the victim of bullying is eligible for a school safety transfer.

FINANCIAL IMPLICATIONS: None.

RECOMMENDATION: We recommend the approval of revisions to FDE (LOCAL) Admissions School Safety Transfers.
