RE: **MONTHLY FINANCIAL REPORT – March 2016**

Attached for your review is the financial report for the month ending March 31, 2016.

Revenue received to date is 80.29% of the budget. This is considerably higher than last year mostly due to receiving timely IDEA Flow Through and Preschool funds that were not received at this time last year. We also show a slight increase in tuition and state payments this year compared to the same time last year. Actual expenditures to date are at 65.98% of budget, also higher than last year. This is also due to the disbursement of the IDEA Flow Through and Preschool money to the districts. We are definitely on target for where we should be at this point in the fiscal year.

Cash balances as of March 31, 2016 are \$4,390,358.
