Introduction

Welcome to New Berlin High School where invaluable academic, extra-curricular and social experiences will help shape the rest of your life. Our goal is to help provide a solid foundation for learning while providing opportunities for you to learn and grow toward being the best you can be in all facets of your school life. Our faculty aims to use technology and proven teaching strategies to provide meaningful and interesting experiences that you will always remember.

To assist you, the handbook was developed by the Board of Education, Staff, Students, Administration, and Community members to provide school rules, regulations, procedures, and important information. You will find that the rules and regulations that govern our lives at school make it possible for all of us to live, learn, and work together.

This handbook is not intended to create a contractual relationship with the student; rather, it is intended to describe the school, its current practices, procedures, rules, and regulations. The principal may establish additional rules, and regulations. Such rules and regulations will be consistent with those established by the Board of Education and the Superintendent of Schools. A student handbook will be distributed to the student and/or parent/guardians within 15 days of the beginning of the school year or the student's enrollment. The school handbook may be amended during the school year without notice. Our school will be what we make it. Be proud of it. Take good care of it. Become part of it. We have the power to determine our successes or failures. Pretzel Pride means being your best and giving your best effort all of the time.

Every student is responsible for knowing and abiding by the policies contained in the school handbook.

If you have questions, please contact the Principal within 15 school days of receipt of this handbook. The provisions of this handbook are not considered to be irrevocable and can be modified and supplemented as needed by the school. **Athletes and students involved in extracurricular activities will be held to additional standards as stated in the Extra Curricular Handbook and as determined by individual coaches and sponsors. Students participating in sports and Extra Curricular activities will be responsible for knowing and abiding by the policies contained in the Extra Curricular Handbook and set forth by coaches and sponsors.**

Best wishes for a great year!

Chapter 1: Introductory Information and General Notices

1.00 Pandemic Preparedness: Management and Recovery

School Operations During a Pandemic or Other Health Emergency

A pandemic is a global outbreak of disease. Pandemics happen when a new virus emerges to infect individuals and, because there is little to no pre-existing immunity against the new virus, it spreads sustainably. Your child's school and district play an essential role, along with the local health department and emergency management agencies, in protecting the public's health and safety during a pandemic or other health emergency.

During a pandemic or other health emergency, you will be notified in a timely manner of all changes to the school environment and schedule that impact your child. Please be assured that even if school is not physically in session, it is the goal of the school and district to provide your child with the best educational opportunities possible.

Additionally, please note the following:

- All decisions regarding changes to the school environment and schedule, including a possible interruption of in-person learning, will be made by the superintendent in consultation with and, if necessary, at the direction of the Governor, Illinois Department of Public Health, local health department, emergency management agencies, and/or Regional Office of Education.
- Available learning opportunities may include remote and/or blended learning. Blended learning may require your child to attend school on a modified schedule.
- Students will be expected to participate in blended and remote instruction as required by the school and district. Parents are responsible for assuring the participation of their child. Students who do not participate in blended or remote learning will be considered truant.
- All school disciplinary rules remain in effect during the interruption of in-person learning. Students are subject to discipline for disrupting the remote learning environment to the same extent that discipline would be imposed for disruption of the traditional classroom.
- Students and parents will be required to observe all public health and safety measures implemented by the school and district in conjunction with state and local requirements.
- During a pandemic or other health emergency, the school and district will ensure that educational opportunities are available to all students.
- School personnel will work closely with students with disabilities and other vulnerable student populations to minimize the impact of any educational disruption.
- Students who have a compromised immune system, live with an individual with a compromised immune system, or have a medical condition that may impact their ability to attend school during a pandemic or other public health emergency should contact school officials.
- During a pandemic or other health emergency, teachers and school staff will receive additional training on health and safety measures.
- In accordance with school district or state mandates, the school may need to conduct a daily health assessment of your child. Parents and students will be notified of the exact assessment procedures if this becomes necessary.
- Parents should not send their child to school if their child exhibits any symptoms consistent with the pandemic or other health emergency.
- Please do not hesitate to contact school or district officials if you have any concerns regarding your child's education, health or safety.

All students and parents will be provided with a copy of an acknowledgement and pledge to sign and return to the high school office by the 5th day of school. A copy of this acknowledgement and pledge is included on the last page of this handbook. Failure to return this acknowledgement and pledge will not relieve a student from being responsible for knowing or complying with School and School District rules, policies and procedures.

In order to assure student health and safety, animals are not allowed on school property, except in the case of a service animal accompanying a student or other individual with a documented disability. This rule may be temporarily waived by the building principals in the case of an educational opportunity for students, provided that (a) the animal is appropriately housed, humanely cared for, and properly handled, and (b) students will not be exposed to a dangerous animal or an unhealthy environment.

1.70 School Volunteers

All school volunteers must complete the "Volunteer Information Form" and be approved by the school principal prior to assisting at the school. Forms are available in the school office. Some teachers utilize parent volunteers in the classroom. The individual teachers make this decision. Teachers who desire parent volunteers will notify parents. For school-wide volunteer opportunities, please contact the building principal. Volunteers are required to check in and out at the main office and receive a visitor badge before going to their destination.

1.80 Emergency School Closings

In cases of bad weather and other local emergencies, please listen to any local radio or television station to be advised of school closings or early dismissals. If bad weather or other types of an emergency occurs during the day, please listen to local media stations for possible early dismissal information. A phone call will be placed through our automated School Reach System alerting parents and guardians of any emergency school closing. For your child's safety, make certain your child knows ahead of time where to go in case of an early dismissal. If we dismiss early for an emergency, all after-school functions are automatically canceled.

Activities When Schools Are Closed

All home activities will be canceled if the school is closed for inclement weather or safety conditions. Please note that occasional exceptions may occur if conditions improve, or if the event is a County/State tournament. Listen to local radio stations, visit the school website and an announcement regarding any information for activities will be sent through our automated School Reach system.

1.100 Video & Audio Monitoring Systems

A video and/or audio monitoring system may be in use on school buses and a video monitoring system may be in use in public areas of the school building. These systems have been put in place to protect students, staff, visitors and school property. If a discipline problem is captured on audiotape or videotape, these recordings may be used as the basis for imposing student discipline. If criminal actions are recorded, a copy of the tape may be provided to law enforcement personnel.

1.110 Accommodating Individuals with Disabilities

Individuals with disabilities will be provided an opportunity to participate in all school-sponsored services, programs, or activities.

Individuals with disabilities should notify the superintendent or building principal if they have a disability that will require special assistance or services and, if so, what services are required. This notification should occur as far in advance as possible of the school-sponsored function, program, or meeting.

Special Education Services

The Sangamon Area Special Education Cooperative provides services to eligible students in District 16. To access information regarding these services please contact the building principal. The Sangamon Area Special Education office can be reached at 217-786-3250. Behavioral management guidelines are established and available. Contact the high school principal for additional information. The district's Policy for Behavioral Interventions for Students with Disabilities is available upon request at the high school office.

1.120 Students with Food Allergies

State law requires our school district to annually inform parents of students with life-threatening allergies or life-threatening chronic illnesses of the applicable provisions of Section 504 of the Rehabilitation Act of 1973 and other applicable federal statutes, state statutes, federal regulations and state rules.

If your student has a life-threatening allergy or life-threatening chronic illness, please notify the building principal at 217-488-6012 ext. 225.

Federal law protects students from discrimination due to a disability that substantially limits a major life activity. If your student has a qualifying disability, an individualized Section 504 Plan will be developed and implemented to provide the needed support so that your student can access his or her education as effectively as students without disabilities.

Not all students with life-threatening allergies and life-threatening chronic illnesses may be eligible under Section 504. Our school district also may be able to appropriately meet a student's needs through other means.

1.130 Care of Students with Diabetes

If your child has diabetes and requires assistance with managing this condition while at school and school functions, a Diabetes Care Plan must be submitted to the building principal. Parents/guardians are responsible for and must:

- a. Inform the school in a timely manner of any change which needs to be made to the Diabetes Care Plan on file with the school for their child.
- b. Inform the school in a timely manner of any changes to their emergency contact numbers or contact numbers of health care providers.
- c. Sign the Diabetes Care Plan.
- d. Grant consent for and authorize designated School District representatives to communicate directly with the health care provider whose instructions are included in the Diabetes Care Plan.

For further information, please contact the building principal.

1.140 Suicide and Depression Awareness and Prevention

Youth suicide impacts the safety of the school environment. It also affects the school community, diminishing the ability of surviving students to learn and the school's ability to educate. Suicide and depression awareness and prevention are important goals of the school district. The school district maintains student and parent resources on suicide and depression awareness and prevention. Much of this information, including a copy of the school district's policy, is posted on the school district website. Information can also be obtained from the school office.

1.150 Accommodating Breastfeeding Students

1.170 Student Appearance

A student's appearance, including dress and hygiene, must not disrupt the educational process or compromise standards of health and safety. Students who disrupt the educational process or compromise standards of health and safety must modify their appearance.

1.180 Awareness and Prevention of Child Sexual Abuse, Grooming Behaviors, and Boundary Violations

2.00 Procedures for Arriving and Leaving School

New Berlin High School opens for the day at 7:30 AM. High School students should report to the Cafeteria if they are partaking of the school breakfast program. High School students not eating breakfast should report to the Dome and will be seated in the bleachers on the west side. At 8:05 AM High School students will be released to the high school and should make their way to their first hour classroom. At 8:14 AM the first period tardy warning bell will sound. High School students should report to their first hour classroom by 8:15 AM.

Students may not leave school for any reason unless permission is obtained from the principal. Contact must be made with a parent or a responsible adult before a student is allowed to leave the school. A student becoming ill at school must report to the school office to obtain a pass to see the nurse. A student leaving school without obtaining the necessary permission will receive an unexcused absence regardless of the reason. When a student leaves during the school day the nurse or principal's office must be notified in order to receive an excused absence. A student who goes out to his vehicle is considered to be leaving school and must sign out in the high school office.

2.00 Closed Campus

New Berlin High School is a closed campus. This means that students may not leave school property without permission from during the school day, (8:00 a.m. to 3:21 p.m.), which includes the noon hour.

2.10 Attendance

Successful achievement in school activities is related to a good attendance record. It is the expectation of the school that students will be in attendance every school day. Absences from school must be in accordance with the rules set forth in this section.

Illinois law requires that whoever has custody or control of any child between six (by September 1st) and seventeen years of age shall assure that the child attends school in the district in which he or she resides, during the entire time school is in session (unless the child has already graduated from high school). Illinois law also requires that whoever has custody or control of a child who is enrolled in the school, regardless of the child's age, shall assure that the child attends school during the entire time school is in session.

There are certain exceptions to the attendance requirement for children who: attend private school, are physically or mentally unable to attend school (including a pregnant student suffering medical complications as certified by her physician), are lawfully and necessarily employed, are between the ages of 12 and 14 while in confirmation classes, have a religious reason requiring absence, or are 16 or older and employed and enrolled in a graduation incentive program.

Tardy to School

Students arriving to school or class after the 8:15 bell must sign in with the attendance clerk in the high school office to obtain a pass to class.

Tardy to Class

There is a four (4) minute passing time between each academic period. If a student is more than 10 minutes late to class, that student must present a signed pass to be admitted. Students must be in class when the bell rings or they will be assigned a tardy by that classroom teacher. Students are expected to bring all necessary materials to class with them. If a student is unprepared for class and needs to return to their locker after the bell rings, a teacher may assign a tardy as a consequence.

Non-Compliance with Being on Time for School/Class

Tardies are cumulative for all classes and will accrue on a semester basis only.

1st Offense: 6th tardy for the semester = 1 hour detention and loss of cell phone privileges for semester

2nd Offense: 9th tardy for the semester= Saturday detention

3rd Offense: 12th tardy for the semester = 1 day ISS suspension

4th Offense and additional offenses: Students that are chronically tardy to school may be required to serve after school detention each day they are tardy to school/class. The tardy policy is based on a semester. Students will have a clean slate at the beginning of a new semester.

Home and Hospital Instruction

A student who is absent from school, or whose physician, physician assistant or licensed advanced practice registered nurse anticipates his or her absence from school, because of a medical condition may be eligible for instruction in the student's home or hospital.

Appropriate educational services from qualified staff will begin no later than five school days after receiving a written statement from a physician, physician assistant, or licensed advanced practice registered nurse. Instructional or related services for a student receiving special education services will be determined by the student's individualized education program.

A student who is unable to attend school because of pregnancy will be provided home instruction, correspondence courses, or other courses of instruction before (1) the birth of the child when the student's physician, physician assistant, or licensed advanced practice nurse indicates, in writing, that she is medically unable to attend regular classroom instruction, and (2) for up to 3 months after the child's birth or a miscarriage. For information on home or hospital instruction, contact: Mrs. Hattie Llewellyn - 217-488-6012 ext. 225.

2.20 Student Absences: School Procedures

Subject to specific requirements in State law, the following children are not required to attend public school: (1) any child attending a private school (including a home school) or parochial school, (2) any child who is physically or mentally unable to attend school (including a pregnant student suffering medical complications as certified by her physician), (3) any child lawfully and necessarily employed, (4) any child over 12 and under 14 years of age while in confirmation classes, (5) any child absent because of religious reasons, including to observe a religious holiday, for religious instruction, or because his or her religion forbids secular activity on a particular day(s) or time of day, and (6) any child 16 years of age or older who is employed and is enrolled in a graduation incentives program. For students who are required to attend school there are two types of absences: excused and unexcused. Excused absences include: illness, (including up to 5 days per school year for mental or behavioral health of the student), observance of a religious holiday or event, death in the immediate family, family emergency, situations beyond the control of the student as determined by the school board, circumstances that cause reasonable concern to the parent/guardian for the student's mental, emotional, or physical health or safety, attending a military honors funeral to sound TAPS, or other reasons as approved by the building principal. Students eligible to vote are also excused for up to two hours to vote in a primary, special, or general election.

Additionally, a student will be excused for up to 5 days in cases where the student's parent/guardian is an active duty member of the uniformed services and has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat-support postings. The Board of Education, in its discretion, may excuse a student for additional days relative to such leave or deployment. A student and the student's parent/guardian are responsible for obtaining assignments from the student's teachers prior to any excused absences and for ensuring that such assignments are completed by the student prior to his or her return to school. Students who are excused from school will be given a reasonable timeframe to make up missed homework and classwork assignments (1 day per day of absence).

All other absences are considered unexcused. Pre-arranged excused absences must be approved by the building principal.

The school may require documentation explaining the reason for the student's absence.

In the event of any absence, the student's parent/guardian is required to call the school at 217-488-6012 ext. 221 before 8:00 a.m. to explain the reason for the absence. If a call has not been made to the school by 10:00 a.m. on the day of a student's absence, a school official will call the home to inquire why the student is not at school. If the parent/guardian cannot be contacted, the student will be required to submit a signed note from the parent/guardian explaining the reason for the absence. Failure to do so shall result in an unexcused absence. Upon request of the parent/guardian, the reason for an absence will be kept confidential.

Diagnostic Procedures for Identifying Student Absences and Support Services to Truant or Chronically Truant Students

State law requires every school district to collect and review its chronic absence data and determine what systems of support and resources are needed to engage chronically absent students and their families to encourage the habit of daily attendance and promote success. This review must include an analysis of chronic absence data from each attendance center.

Furthermore, State law provides that school districts are encouraged to provide a system of support to students who are at risk of reaching or exceeding chronic absence levels with strategies and are also encouraged to make resources available to families such as those available through the State Board of Education's Family Engagement Framework to support and engage students and their families to encourage heightened school engagement and improved daily school attendance.

"Chronic absence" means absences that total 10% or more of school days of the most recent academic school year, including absences with and without valid cause, and out-of-school suspensions.

The School and District use the following diagnostic procedures for identifying the causes of unexcused student absences: Interviews with the student, his or her parent/guardian and any school officials who may have information about the reasons for the student's attendance problems.

Supportive services to truant or chronically truant students include: parent conferences, student counseling, family counseling, and sharing of information about existing community services.

Absences - Excused

Excused absences will be given for the following reasons:

1. Personal or family illness.
2. Death in the immediate family.
3. Attendance at a funeral of an immediate family member.
4. Observance of a religious holiday not provided for by the school calendar (see prearranged absences).
5. Emergency absences at the discretion of the principal.
6. Situations beyond the control of the student.
7. Attending a military honors funeral to sound TAPS
8. Circumstances that cause reasonable concern to the parent/guardian for the student's safety or health.

Medical Excuse Requirement

After a student has missed three (3) consecutive days parents may be notified and required to provide a doctor's excuse upon student's

day of return within 48 hours of returning. This would allow for the absence to be excused. The student would then be eligible to receive credit for course work missed during those days – refer to 2.40 Make-Up Work for procedures for obtaining missing assignments.

Doctor Appointments

These need not be pre-arranged by form, but a phone call from the parents and a note from the doctor must be presented to the attendance office within 48 hours of the student returning to school in order to receive an excused absence. Doctors may fax notes to the junior-senior high school office at 1-217-488-3207. It is the student's responsibility to request a note from his/her doctor or make contact with the doctor for faxed excuses. Students will be excused for the specific time of the appointment and travel time.

Absences - Pre-Arranged

These are absences planned by parents for their children and will be counted toward the semester absence limit. Approval for these absences must be given by the parents and the principal at least 48 hours before the date of the absences. If a pre-arranged absence is taken on an 11:40 release date, the student is charged a full day absence, as all class periods meet. Assignments must be obtained prior to the absence and all work is due on the first day back from the absence. Emergency absences may be permitted at the discretion of the principal. Pre-Arranged absences will only be given with the principal's discretion during the last two weeks of the first semester, the last month of school, or during the senior trip (for seniors). (Seniors who do not attend the senior trip must have a doctor's note for absences during that time.) The last two weeks of a semester are reserved for semester review by teachers and project/coursework finalization. It is in the best interest of students to be in attendance during this time. Students will not be permitted to take semester exams early. All days after five (5) will be counted as unexcused. In addition to the prohibitions noted above, vacation days will not be approved for achievement test week or during special testing days as established by the State Board of Education. Please note that the school calendar may be extended one day for each emergency day used when planning end-of-school year vacations.

It is the responsibility of students to present the Pre-Arranged Absence Form to appropriate faculty members and obtain classroom work. Faculty members must be given at least 48 hours' notice if the absence is three (3) or more days. Work is due when students return to school. An additional three (3) days will be provided for the student to complete work that was not provided by the teacher prior to the absence.

Emergency Absence

If students are needed at home for emergency reasons, parents must notify the office immediately. A maximum of two emergency days per semester may be prearranged. These prearranged emergency days will not count toward the semester absence limit. Only under the most extreme conditions will work days be excused without a completed pre arranged absence form. All other days beyond the two allowed absences per semester will be unexcused.

Career/College Days

Students may use 2 college/career days during the junior year. Students may use 2 college/career days during the senior year. These days may be used for visits to colleges, vocational schools, testing, armed forces recruiting, etc. These days must be approved by both the principal and the Director of Student Services and will be counted as an attendance day. Job shadowing days will apply toward the Career Day count and cannot be used during the last 4 weeks of school. These days will not count toward the semester absence limit. Proof of the visit must be presented to the attendance office and Director of Student Services when the student returns to school or the excused absence will not be counted.

Juniors must use these days during the first 8 months of the school year and may not use them during the final month of any semester. Seniors may use these days during the last month of the school year for pre-scheduled testing and/or registration at a school in which they have been accepted. Seniors accepted to local colleges with a testing center/registration office open during the evening will be expected to complete testing and registration on non-school time. These days may not be used during the Senior Trip. Students must be academically eligible to take career days or college days. Failure to meet these requirements may result in disciplinary action being taken.

Release Time for Religious Instruction/Observance

A student will be released from school, as an excused absence, to observe a religious holiday or for religious instruction. The student's parent/guardian must give written notice to the building principal at least 5 calendar days before the student's anticipated absence(s). Students excused for religious reasons will be given an opportunity to make up any examination, study, or work requirement.

Absences – Unexcused

If at any time during the entire school year, a student is absent more than 10 days, a doctor's note will be required for any subsequent absences to be considered excused. All absences without a doctor's excuse are considered unexcused. Doctor's notes must state that the student was unable to attend school and give exact times when the student was seen in the doctor's office. Students who receive unexcused absences will not be allowed to make up any work missed and will receive a zero for those assignments. There will be no additional preparation time given for work or exams due on the day of their return. Some examples of unexcused absences are oversleeping, car trouble, car repair, missing the bus, senior pictures, getting a driver's license, parental tardiness, and shopping. Parental approval to miss school does not necessarily mean that the school will approve the absence. Severe illness or injury which causes a student to be absent for an extended period, may be counted as one day at the principal's discretion. Students whose absences reach more than 10% of the prior 180 days of school will have their names reported to the county truant officer. After excessive unexcused absences, the student may be referred to the Sangamon County Truant's Alternative Optional Education Program. A student 17 years old or over, will be dropped from the roll after fifteen (15) unexcused consecutive absences.

Note: Attending funerals for family members will not be counted against the ten absences.

Skip Day

The school does not sanction or approve a skip day at any level of the program. Any student participating in such an outing will be subject to the consequences of unexcused absences. A doctor's note is required if absent on a Student Skip Day.

2.40 Make-Up Work

Excused Absences: A student that is absent from school will be permitted to make up all missed work, including homework and tests, for equivalent academic credit. It is the responsibility of the student to obtain the missed assignments by emailing their teacher, or accessing their teacher's planbook link from the high school webpage. The student will be permitted the same number of days as he/she was absent to turn in the make-up work. Failure to meet the deadline for turning in make-up work will result in loss of credit as determined by the grading policy for assessing late work. Parents/students are responsible for finding a valid courier for any materials that need to be picked up from the office.

For suspensions: A student that is suspended from school will be permitted to make up all missed work, including homework and tests, for equivalent academic credit. All missed work must be turned in the day the student returns from the suspension. All tests/quizzes must be taken the day the student returns from the suspension. Failure to meet the deadline for turning in missing work will result in loss of credit as determined by the grading policy for assessing late work. During the suspension, it is the responsibility of the student to obtain assignments by emailing their teacher, or accessing their teacher's planbook link from the high school webpage. Parents/students are responsible for finding a valid courier for any materials that need to be picked up from the office.

Unexcused Absences: a student with an unexcused absence from school will be required to complete all missed work, including quizzes and tests. Upon returning to school the student will be assigned to a supervised alternative location to complete all missing work.

2.50 Truancy

Student attendance is critical to the learning process. Truancy is therefore a serious issue and will be dealt with in a serious manner by the school and district. Students who miss more than 1% but less than 5% of the prior 180 regular school days without valid cause (a recognized excuse) are truant. Students who miss 5% or more of the prior 180 regular school days without valid cause are chronic truants. Students who are chronic truants will be offered support services and resources aimed at correcting the truancy issue. If chronic truancy persists after support services and other resources are made available, the school and district will take further action, including:

- Referral to the truancy officer
- Reporting to officials under the Juvenile Court Act
- Referral to the State's Attorney
- Appropriate school discipline

A student who misses 15 consecutive days of school without valid cause and who cannot be located or, after exhausting all available support services, cannot be compelled to return to school is subject to expulsion from school. A parent or guardian who knowingly and willfully permits a child to be truant is in violation of State law.

2.60 Grading & Promotion:

All students will attend on full time status. There will be no part time students at New Berlin High School. The decision to promote a student to the next grade level is based on successful completion of the curriculum, attendance, performance on standardized tests and other testing. A student will not be promoted based upon age or any other social reasons not related to academic performance.

High School Eligibility

High School students participating in extra-curricular activities must meet all I.H.S.A. standards in order to participate. **In addition to those standards, New Berlin High School also requires that participants must be passing all subjects.** In order to be eligible to play sports for the following semester, students must pass 7 classes each semester. If a student is declared ineligible for any three weeks during the season, he/she may be dismissed from the team by the head coach/sponsor. These standards shall be extended to managers, statisticians, and support people as well. When an in-season student athlete is determined to be ineligible, a letter will be sent to the parents from the principal notifying them of the class (es) in which the student is failing.

Report Cards

Grades will be posted for all students on a weekly basis to family access. Any person(s) who do not have access to electronic grading via family access may request in writing that weekly grades of D or F be mailed home a hard copy. Report cards are posted to Skyward and made available to students and parents via Family Access at the end of each nine week grading period.

Averaging Semester Grades

Semester grades are the only grades placed on a student's permanent record. Credit is granted only for semester grades. Semester grades are determined by averaging the two nine week's grades and the semester exam grade. Each nine week's grade counts 2/5ths of the semester grade, with the final exam counting 1/5th of the semester grade. For questions regarding grades, please contact the classroom teacher.

Semester Tests/Final Exams

All high school students are required to take semester tests. Failure to take a semester exam, unexcused, will result in a failing grade for the semester exam grade. Students are expected to remain in a final exam for the entire class period. Leaving the exam without permission will result in a failing grade for the exam. Final exams may not be taken early.

Class Failure Policy

Any student who fails either semester of a required year-long class will not be permitted to enroll in the next level of that particular subject until the first course is successfully completed. Summer school credit for failed courses will be accepted, provided approval from the principal is obtained. Exceptions to this policy may be granted by the principal after consultation with the school counselor and the teacher(s) involved.

Schedule Changes

Schedule changes may be made during the last three days of the semester in December for 2nd semester or during the first three class days of the semester. When class changes are made, the student must obtain permission from the teacher(s) involved and the Director of Student Services. After three days, only the Director of Student Services, a change in a student's IEP, or the principal may authorize a

class change. There will be very few changes approved by the Director of Student Services or principal after the three day limit. Any class dropped after the first three days will be recorded as a failure for the semester.

Driver's Education-Classroom Attendance/Passing Policy

Students are required to have thirty hours of Driver's Education classroom instruction. Students are allowed to miss two class periods during the quarter that they are enrolled in Driver's Education. State statute does not differentiate between excused and unexcused absences for the purpose of drivers training. **If a student fails the class they will not be re enrolled for one calendar year.** Students will be given two opportunities to pass the classroom portion of Driver's Education at New Berlin High School. In the event a student does not pass the classroom portion twice the student must pursue Driver's Education through a private source. Any student who receives an A or B in the class is eligible to take the driving test with a certified instructor during the behind the wheel phase.

Driver's Education-Behind the Wheel Attendance/Passing Policy

Students are required to have six hours behind the wheel driving time with a certified instructor. Students will be given two opportunities to pass the behind the wheel portion of Driver's Education at New Berlin High School. In the event a student does not pass the behind the wheel portion twice the student must pursue Driver's Education training through a private source. Students are expected to be in attendance for their scheduled behind the wheel time. Students should arrive ten minutes prior to their scheduled drive time and should contact the instructor prior to their scheduled drive time in the case of illness. Students who fail to show up or contact the instructor prior to their scheduled drive time will be suspended from driving for one month for the first offense. A second offense will result in the student being removed from the program.

Transfer Students

Students new to the district will be placed by grade level and in classes based upon the former public school's permanent records or by placement testing. Transfer students are subject to benchmark testing to determine if there is a need for intervention upon entering New Berlin Schools. All transfer students are expected to meet our academic standards in order to be promoted to the next grade and must meet all NBHS Graduation Requirements to receive a diploma.. Students enrolling from a homeschool program are subject to benchmark testing to determine grade level placement.

High Honors-	3.75 & Above
Honor Roll-	3.25 to 3.74
Honorable Mention-	3.00 to 3.24

2.70 Homework

Homework is used as a way for students to practice what they have learned in the classroom. The time requirements and the frequency of homework will vary depending on a student's teacher, ability and grade level. Students that do not have homework completed will be issued a Failure to Complete Homework Referral and will be provided the opportunity to complete the assignment for credit during homework detention. **Students who are absent from school for a valid cause (an excused absence) may make up missed homework in a reasonable timeframe (1 day for each day of absence).**

2.75 Grading Policy for Assessing Late Work

If a student is given a referral for not completing their homework, the following procedures will be in place and will be communicated on the homework referral:

- The name of the missing assignment.
- A homework detention will be issued for lunch and/or 8th hour. The student will be given the opportunity to go to the teacher's room during 8th hour to ask questions/get help with the assignment, then will return to detention. At the end of homework detention, the student will turn in the assignment to the homework detention supervisor. The students' teacher will grade what was completed and submitted. If a student does not turn an assignment in at the end of homework detention, the student may receive a zero for the assignment, unless permission to turn it in before the next class session has been given by the teacher.
- If the detention is not served due to an excused absence 8th hour, the student may receive a zero if the assignment is not turned in to the teacher at the beginning of the next class session the student is in attendance for. The homework detention will still have to be served if the assignment is already turned in.

Homework Detentions are cumulative for all classes and will accrue on a semester basis only. The following consequences are put into place following cumulative homework detentions.

1st Offense: 3rd homework detention for the semester = 1 hour detention and loss of cell phone privileges for semester
2nd Offense: 6th homework detention for the semester= Saturday detention

3rd Offense:

9th homework detention for the semester = 1 day ISS suspension

Capital Area Career Center (CACC) Student Homework Detentions

Due to early bus departure to CACC, CACC students will serve two homework lunch detentions on consecutive days for incomplete homework. Students will turn in their homework to their homework detention supervisor.

2.80 Exemption from Physical Education Requirement

In order to be excused from participation in physical education, a student must present an appropriate excuse from his or her parent/guardian or from a person licensed under the Medical Practice Act. The excuse may be based on medical or religious prohibitions. An excuse because of medical reasons must include a signed statement from a person licensed under the Medical Practice Act that corroborates the medical reason for the request. An excuse based on religious reasons must include a signed statement from a member of the clergy that corroborates the religious reason for the request. Upon written notice from a student's parent/guardian, a student will be excused from engaging in the physical activity components of physical education during a period of religious fasting.

A student in grades 9-12 may submit a written request to the building principal requesting to be excused from physical education courses for the reasons stated below.

1. Enrollment in a marching band program for credit;
2. Enrollment in Reserve Officers Training Corps (ROTC) program sponsored by the District;
3. Ongoing participation in an interscholastic or extracurricular athletic program;
4. Enrollment in academic classes that are required for admission to an institution of higher learning (student must be in the 11th or 12th grade); or
5. Enrollment in academic classes that are required for graduation from high school, provided that failure to take such classes will result in the student being unable to graduate (student must be in the 11th or 12th grade).

Students with an Individualized Education Program may also be excused from physical education courses for reasons stated in Handbook Procedure 10.30. Special activities in physical education will be provided for a student whose physical or emotional condition, as determined by a person licensed under the Medical Practices Act, prevents his or her participation in the physical education course.

State law prohibits the School District from honoring parental excuses based upon a student's participation in athletic training, activities, or competitions conducted outside the auspices of the School District.

Students who have been excused from physical education shall return to the course as soon as practical. The following considerations will be used to determine when a student shall return to a physical education course: The time of year when the student's participation ceases; and the student's class schedule.

Credit Recovery

A student may take one credit (two courses) per summer or at SCLA in the after-school credit recovery program. A student may request additional Credit Recovery courses through the principal's recommendation and approval of the Board of Education. A summer school course will only be allowed if the student previously failed the course at New Berlin High School. Two units of credit may be counted toward the requirements for a student's high school graduation. Driver's education not taken in CUSD #16 will not count as one of these correspondence courses. Online and correspondence courses will not count towards a student's GPA. A student planning to graduate in three years with plans to enroll in college may take an additional two units of credit through an online or correspondence course upon approval of the Board of Education. **Final grades for summer school courses are due one week prior to the start of the Fall Semester. It provides students with an educational setting with curriculum options that are usually reserved for students who are older or in higher grades than the student. Accelerated placement includes but may not be limited to: early entrance to kindergarten or first grade, accelerating a student in a single subject and grade acceleration. Participation is open to all students who demonstrate high ability and who may benefit from accelerated placement. It is not limited to students who have been identified as gifted or talented. Please contact the building principal for additional information.

Exchange Programs

An exchange student will be granted a diploma if he or she completes the criteria for graduation established by the State of Illinois and the School Board. The board may grant a certificate of attendance to exchange students.

District students will receive high school credit for foreign exchange courses that meet the criteria established in the curriculum and that are approved by the building principal. International study course work not meeting district requirements may be placed in the student's permanent record and recorded as an international study experience.

Vocational or Technical Education; Registered Apprenticeship Program

A student in grades 9-12 may satisfy one or more high school courses (including physical education) or graduation requirements by successfully completing related vocational or technical education courses if:

Students causing problems riding the bus or student driver infractions may cause that student to lose his/her opportunity to continue attending the cooperative school. Students who drive to CACC without permission will be required to return to NBHS immediately and take unexcused absences from CACC.
5. Unexcused absences (truancy) at either the regular or cooperative school are serious offenses. Excessive unexcused absences will cause a student to be dropped from the roll at the cooperative school at the semester.
6. Students must be in attendance at NBHS by 8:15 am to attend CACC in the afternoon, or present a valid excuse for being absent. Students without a valid excuse for absence after 8:15 am will not be allowed to attend CACC and will remain in DSR for the afternoon. A student cannot be absent from NBHS and attend CACC.

Chapter 4: Transportation and Parking

4.10 Bus Transportation

The driver is in charge of all students on the bus with authority similar to the authority of a teacher in the classroom. The right of students to ride the bus is related to their good behavior and observance of rules and regulations. **Safety demands complete cooperation.** It is the duty of the driver to notify the transportation director and principal, in writing, when students do not conduct themselves properly on the bus. The school administrator may then forbid such students the privilege of riding the bus. In addition to the rules listed below, all rules, regulations, and consequences listed elsewhere in this handbook apply to riding on a school bus.

The district provides bus transportation to and from school for all students living 1.5 miles or more from the school. A list of bus stops will be published at the beginning of the school year before student registration. Parents must, at the beginning of the school year, select one bus stop at which a student is to be picked up, and one stop at which a student is to be dropped off. Students are not permitted to ride a bus other than the bus to which they are assigned. Exceptions must be approved in advance by the building principal.

While students are on the bus, they are under the supervision of the bus driver. In most cases, bus discipline problems can be handled by the bus driver. In the case of a written disciplinary referral, student bus problems will be investigated and handled by the building principal.

Students are expected to follow all school rules while on the bus. Students may be suspended from riding the school bus for up to 10 consecutive school days for violating school rules or for engaging in other gross disobedience or misconduct. The school board may suspend the student from riding the school bus for a period in excess of 10 days for safety reasons. The district's regular suspension procedures shall be used to suspend a student's privilege to ride a school bus.

A student who is suspended from riding the school bus and who does not have alternative transportation to school shall be allowed the opportunity to make up all missed work for equivalent academic credit. It is the responsibility of the student's parent or guardian to notify the school that the student does not have alternative transportation to school.

Each District #16 School Bus is equipped with a camera, which makes a video and audio record of each student's behavior. The purpose of this monitoring is to limit misbehavior on each bus and provide safer bus transportation. Should a student problem occur on a bus, the transportation director and/or the principal or his/her designee, may review the film record to determine the cause of the problem. Due to privacy issues of all students, only authorized school personnel shall view tapes.

In the interest of the student's safety and in compliance with State law, students are also expected to observe the following:

- Only regularly scheduled bus passengers are permitted to ride the bus. Students must ride the bus to which they are assigned.
- Dress properly for the weather. Make sure all drawstrings, ties, straps, etc. on all clothing, backpacks and other items, are shortened or removed to lessen the likelihood of them getting caught in bus doors, railings or aisles.
- Arrive on time at the bus stop, and stay away from the street while waiting for the bus.
- Stay away from the bus until it stops completely and the driver signals you to board. Enter single file without pushing. Always use the handrail.
- Take a seat right away and remain seated facing forward. Keep your hands, arms, and head inside the bus.
- Talk quietly on the bus. No shouting or creating loud noises that may distract the driver. Tablets, iPods®, iPads®, smart phones, and other electronic devices must be silenced on the bus unless a student uses headphones.
- Help keep the bus neat and clean. Keep belongings out of the aisle and away from emergency exits. Eating and drinking are not allowed on the bus.
- Always listen to the driver's instructions. Be courteous to the driver and other students. Sit with your hands to yourself and avoid making noises that would distract the driver or bother other passengers. Remain seated, keeping your hands, arms, and head inside the bus at all times.
- Wait until the bus pulls to a complete stop before standing up. Use the handrail when exiting the bus.
- Stay out of the danger zone next to the bus where the driver may have difficulty seeing you. Take five giant steps away from the bus and out of the danger zone, until you can see the driver and the driver sees you. Never crawl under a bus.
- If you must cross the street after you get off the bus, wait for the driver's signal and then cross in front of the bus. Cross the street only after checking both ways for traffic.
- Never run back to the bus, even if you dropped or forgot something.

Video and audio cameras may be active on busses to record student conduct and may be used for the purposes of investigation into misconduct or accidents on the bus. For questions regarding school transportation issues, contact the Transportation Director at: 488-6012.

Bus Conduct

Students are expected to follow all schools when riding the school bus. A student may be suspended from riding the bus for up to 10 consecutive school days for engaging in gross disobedience or misconduct, including but not limited to, the following:

1. Violating any school rule or school district policy.
2. Willful injury or threat of injury to a bus driver or to another rider.
3. Willful and/or repeated defacement of the bus.
4. Repeated use of profanity.
5. Repeated willful disobedience of a directive from a bus driver or other supervisor.
6. Such other behavior as the building principal deems to threaten the safe operation of the bus and/or its occupants.

If a student is suspended from riding the bus for gross disobedience or misconduct on a bus, the School Board may suspend the student from riding the school bus for a period in excess of 10 days for safety reasons.

A student suspended from riding the bus who does not have alternate transportation to school shall have the opportunity to complete or make up work for equivalent academic credit. It shall be the responsibility of the student's parent or guardian to notify the school that the student does not have alternate transportation.

4.20 Driving/Parking Regulations

Students driving motor vehicles to school must possess a valid driver's license. All traffic laws and posted speed limits must be observed. The parking area in front of the main entrance of the school, beside and across from the Lutheran Church is reserved for staff and visitors only. No student parking is allowed in this area.

Students are to park in student designated parking only. The assignment of parking areas will go to seniors first and then to juniors, sophomores, and if room permits, freshmen. Any student not following these rules will not be allowed to drive his/her car to school and park on school grounds. Once a student's car is parked at the beginning of the school day, it is to remain in the assigned parking space until dismissal time. Students are not allowed to go to their cars or the parking lot without permission from the principal's office. The parking lots and student cars are off limits during the school day. Those students who leave school without permission during the school day will lose parking privileges and will be subject to other handbook regulations. Students are not to ride in, drive, or sit in any motor vehicle during closed campus. Students who violate this rule or engage in any unsafe act, or have accidents in a motor vehicle will be subject to the following consequences:

First Violation-warning; possible loss of privilege to park on school property for 1 quarter

Second Violation - loss of privilege to park on school property for 1 quarter

Third Violation - loss of privilege to park on school property for the remainder of the year

All students shall be required to park in an orderly manner. The roadway to and from the bus garage must be kept clear at all times. Any student vehicle parked inappropriately or in any other area during school hours may be towed away at the student's expense. Traffic laws and safety rules must be observed while driving on school property. Please remember that driving to school is a privilege, which may be revoked.

Students have no reasonable expectation of privacy in cars parked on school grounds. School lots are regularly searched by contraband dogs, administration, and police officers. Students should be aware that items and spaces on school grounds are subject to search and view by others, and that prohibited items discovered during the course of a search may result in discipline, including, but not limited to, expulsion from school. Students who use vehicles for transportation to and from school are expected to comply with the regulations below. Pupils should realize that their parents or guardians are responsible for damages that may result from driving on and parking on school property.

Parking Expectations

1. Upon arriving at school, students are to park in an assigned spot in the Student Parking Lot, located by the bus garage. Vehicles are to be vacated until school is dismissed or special permission is granted by the principal to leave in the vehicle.
2. Vehicles must be parked properly within the assigned spot, and must be driven under the speed limit of 10 miles per hour. Driving in a reckless manner is prohibited. Violators of this regulation will be denied permission to operate a motor vehicle on school property and will be subject to disciplinary action.
3. Vehicles parked outside of designated parking spots may be ticketed or towed at the discretion of the school, at the vehicle owner's expense.
4. Students who wish to park on campus must park in the designated lot. Failure to park in the designated area may result in disciplinary consequences *or loss of parking privileges*. The lot located by the junior and senior high office entries are for school staff, personnel, and others designated by administration. These lots MAY NOT be used by students at any time. Student vehicles parked in these lots may be ticketed or towed at the discretion of administration.
5. Vehicles MAY NOT be parked or located in the bus lanes or fire lanes at ANY TIME. Bus lanes and fire lanes are clearly marked. Vehicles located in these locations may be ticketed and/or towed by the police.
6. CACC students are not allowed to drive to CACC unless they are driving to a work assignment through CACC or driving as a necessary part of their course work (taking a tractor to Ag Mechanics). Permission must be granted by both CACC and the NBHS principal. Only that student may be in the vehicle going to and from CACC. Students violating this rule will be given consequences under the heading of insubordination.
7. Students who leave campus without permission will be subject to the loss of parking privileges.

For the safety of all students, the school administration has the right to take appropriate measures to provide for the safe travel and/or transportation of students to and from school, immediately before or after the school day. Therefore, the administration may take disciplinary action upon receipt of reports of unsafe or reckless driving, involving students entering or leaving campus, or within the general vicinity of the school campus. Video cameras may be active in parking lots and may be used for the purposes of investigation into student misconduct. Discipline for misconduct includes all disciplinary measures in the student discipline code and/or withdrawal of parking privileges.

The school is not responsible for student vehicles, any possessions left in them, or anything attached to the vehicles. **STUDENTS PARK THEIR VEHICLES ON OR NEAR SCHOOL PROPERTY AT THEIR OWN RISK.** Students should be aware their vehicles are not protected in any way while in the parking lot, and items of value should not be left in or near the vehicle while unattended.

Chapter 5: Health and Safety

Wellness Policy

The Board of Education of Community Unit School District #16 is committed to providing a learning environment that supports and promotes wellness, good nutrition, and an active lifestyle. Furthermore, the Board recognizes the positive relationship between good nutrition, physical activity, and the capacity of students to develop and learn. The entire school environment shall be aligned with healthy school goals to positively influence students' beliefs and habits and promote health and wellness, good nutrition, and regular physical activity.

Emergency Information

It is necessary that there is current emergency information on file for each child. This information is of great value to the child in the event he or she becomes ill or is injured at school. This information is included on the CUSD #16 registration form. **This information must include emergency phone numbers.**

Illness at School

Illness or injury at school may require that a student returns home. If this is the case, parents will be contacted by school authorities to explain the circumstances. The parents should then make timely arrangements for getting the student home. In case the parents cannot be reached, the school will only contact the person or persons listed on the student's registration form. Parents are to give this information to the school when they register. It is imperative that the student's emergency card be kept updated. If you know of any reason for a change, please notify the office. Students will not be excused from school for the illness unless school authorities have contacted the parent for the student to be picked up. In the event the student has contacted the parent due to illness, and has not gone through the school nurse or office staff, the absence will be counted as unexcused when the student signs out.

Illness at Home

If your child has a fever, please keep them home until they have been fever free for 24 hours without fever reducers. If they have been vomiting or have diarrhea, they should also remain at home until they have been retaining food and without diarrhea for 24 hours. Please stress to your child the importance of good hand washing to prevent the spread of germs.

Accidents

Every accident in the school building, on the school grounds, or at any event sponsored by the school must be reported immediately to the adult in charge. Accident reports are available in the office. The school will make every effort to inform the parents of any accident or illness occurring at school that may need care of observation at home; and, for safety reasons, no student will be sent home unless a responsible adult is contacted and arrangements made.

Child Abuse

State law requires that all suspected child abuse be reported to the proper governmental agency. School employees are Mandated Reporters

Medical PE Exclusion

Illinois students are required to take part in P.E. Class on a daily basis. A student may be exempt from some or all physical activities when the appropriate excuses are submitted to the school by a parent/guardian (for one day only) or by a person licensed under the Medical Practice Act (for periods of more than 1 day). Alternative activities and/or units of instruction will be provided for students who are unable to participate

5.10 Immunization, Health, Eye and Dental Examinations

Required Health Examinations and Immunizations

All students are required to present appropriate proof of a health examination and up-to-date immunizations prior to:

1. Entering kindergarten or the first grade;
2. Entering the sixth and ninth grades; and
3. Enrolling in an Illinois school for the first time, regardless of the student's grade.

Proof of immunization against meningococcal disease is required for students in grades 6 and 12. A diabetes screening must be included as part of the health exam (though diabetes testing is not required). Students between the age of one and seven must provide a statement from a physician assuring that the student was "risk-assessed" or screened for lead poisoning.

Failure to comply with the above requirements by October 15 of the current school year will result in the student's exclusion from school until the required health forms are presented to the school, subject to certain exceptions. New students who register mid-term have 30 days following registration to comply with the health examination and immunization requirements. If a medical reason prevents a student from receiving a required immunization by the first day of school, the student must present an immunization schedule and a statement of the medical reasons causing the delay. The schedule and statement of medical reasons must be signed by an appropriate medical professional.

Eye Examination

All students entering kindergarten or an Illinois school for the first time must present proof by October 15 of the current school year of an eye examination performed within one year. Failure to present proof by October 15, allows the school to hold the student's report card until the student presents: (1) proof of a completed eye examination, or (2) that an eye examination will take place within 60 days after October 15.

Dental Examination

All students entering kindergarten, second, sixth and ninth grades must present proof by May 15 of the current school year of having been examined by a licensed dentist within the last 18 months. Failure to present proof allows the school to hold the child's report card until the student presents: (1) proof of a completed dental examination, or (2) that a dental examination will take place within 60 days after May 15.

Exemptions

A student will be exempt from the above requirements:

1. On medical grounds if the student's parent/guardian presents to the building principal a signed statement explaining the objection;
2. On religious grounds if the student's parent/guardian presents to the building principal a completed Certificate of Religious Exemption;
3. Eye examination requirement if the student's parent/guardian completes the State of Illinois Eye Exam Waiver or
4. Dental examination requirement if the student's parent/guardian completes the State of Illinois Dental Exam Waiver.

PRESS 7:100, *Health, Eye and, Dental Examinations; Immunizations; and Exclusion of Students*

Vision and Hearing Screening

CUSD#16 students will be screened annually in the required grades as stated in Section 675.110 of the Title 77 Illinois Administrative Code. Screening is not a substitute for a complete examination by a doctor. Students are not required to undergo screening (vision or hearing) if a physician signs a report indicating that a complete examination, eye and vision/ear and audiological evaluation, has been administered within the previous 12 months. Parents or legal guardians of a student may object to screening for their children on religious grounds. If a religious objection is made, a written and signed statement from the parent or legal guardian detailing such objection must be presented to the local school authority.

5.20 Student Medication

Taking medication during school hours or during school-related activities is prohibited unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent/guardian believe that it is necessary for the student to take medication during school hours or school-related activities, the parent/guardian must request that the school dispense the medication to the child by completing a "School Medication Authorization Form."

No school or district employee is allowed to administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a completed and signed School Medication Authorization Form is submitted by the student's

parent/guardian. No student is allowed to possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this procedure.

Self-Administration of Medication

A student may possess and self-administer an epinephrine injector (e.g., EpiPen®) and/or an asthma inhaler or medication prescribed for use at the student's discretion, provided the student's parent/guardian has completed and signed a School Medication Authorization Form.

Students who are diabetic may possess and self-administer diabetic testing supplies and insulin if authorized by the student's diabetes care plan, which must be on file with the school.

Students with epilepsy may possess and self-administer supplies, equipment and medication, if authorized by the student's seizure action plan, which must be on file with the school.

Students may self-administer (but not possess on their person) other medications required under a qualified plan, provided the student's parent/guardian has completed and signed a School Medication Authorization Form.

The school district shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication, including asthma medication or epinephrine injectors, or medication required under a qualifying plan. A student's parent/guardian must indemnify and hold harmless the school district and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of an epinephrine injector, asthma medication, and/or a medication required under a qualifying plan.

Administration of Medical Cannabis

Administration of Medical Cannabis In accordance with the Compassionate Use of Medical Cannabis Program, qualifying students are allowed to utilize medical cannabis infused products while at school and school events. Please contact the building principal for additional information. Discipline of a student for being administered a product by a designated caregiver pursuant to this procedure is prohibited. The District may not deny a student attendance at a school solely because he or she requires administration of the product during school hours.

Undesignated Medications

The school may maintain the following undesignated prescription medications for emergency use: (1) Asthma medication; (2) Epinephrine injectors; (3) Opioid antagonists; and (4) Glucagon. No one, including without limitation, parents/guardians of students, should rely on the school or district for the availability of undesignated medication. This procedure does not guarantee the availability of undesignated medications. Students and their parents/guardians should consult their own physician regarding these medication(s).

Emergency Aid to Students

Nothing in this policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

NBHS Medication Procedures

1. Medications are administered at school in accordance with the Recommended Practices and Procedures Manual from the Illinois State Board of Education. Administering medications at school is discouraged. However, some pupils with long-term chronic illness or disability may require medication during the day. Only in exceptional cases in which failure to take medication could jeopardize the child's health and/or education, should medication be administered at school. **All medications** that are brought to school must be sent to the nurse's office upon arrival. This medication will be stored in a locked cabinet. It is recommended that medications be delivered to the school by the parent.
2. All medications given at school, prescription and over the counter medication and supplements (which include essential oils), must be prescribed by a licensed prescriber. The medication must be brought to school in the original most up-to-date container as dispensed by the pharmacy or in the original over the counter packaging. No medication in "baggies" will be accepted. The CUSD#16 "Authorization For Administration of Prescription Medication" form must be completed by both the parent and the physician. Any change in the dosage or administration must have written authorization from the prescriber.
3. The morning doses of medications should be given at home.
4. The school reserves the right to have the time of medication administration at school adjusted to meet the schedule and availability of the nurse.
5. Questions concerning medications will be referred to your physician.
6. Self-managed and emergency medications will be evaluated individually by the school nurse (i.e. asthma inhalers, epi-pens, and medication to manage diabetes). It is recommended that spare medications and supplies be kept in the nurse's office for emergency use.
7. CUSD #16 Medication and Health Forms are available on the website, in either school office or in the nurse's office.
8. The school not only has the right, but also the responsibility to refuse to administer any medication at school if properly qualified individuals are not available.

9. The school will ascertain from the parent and/or the physician the necessity for administering medication during school hours and will retain the discretion to reject requests that do not meet the medication guidelines. ***Medication sent to school without proper documentation will NOT be given.***
10. Noon medication is not routinely given at school on early dismissals @ 11:45 or on field trips.

5.30 Student Counseling Services: Guidance & Social Work

The school provides a guidance and social work counseling program for students. The school's counselors are available to those students who require additional assistance. Contact the high school principal if you feel your child is in need of these services. The guidance program is available to assist students in identifying career options consistent with their abilities, interests, and personal values. Students are encouraged to seek the help of counselors to develop class schedules that meet the student's career objectives. High school juniors and seniors have the opportunity to receive college and career-oriented information. Representatives from colleges and universities, occupational training institutions and career-oriented recruiters, including the military, may be given access to the school campus in order to provide students and parents/guardians with information.

5.40 Safety Drill Procedures and Conduct

Safety drills will occur at times established by the school board. Students are required to be silent and shall comply with the directives of school officials during emergency drills. There will be a minimum of three (3) evacuation drills, a minimum of one (1) severe weather (shelter-in-place) drill, a minimum of one (1) law enforcement lockdown drill to address a school shooting incident, and a minimum of one (1) bus evacuation drill each school year. There may be other drills at the direction of the administration. The law enforcement lockdown drill will be announced in advance and a student's parent/guardian may elect to exclude their child from participating in this drill. All other drills will not be preceded by a warning to students.

1. Parents are required to notify the school nurse if they suspect their child has head lice.
2. Infested students will be sent home following notification of the parent or guardian.
3. The school will provide written instructions to parents or guardians regarding appropriate treatment for the infestation.
4. Infested children are prohibited from riding the bus to school to be checked for head lice.

Chapter 6: Discipline and Student Conduct

An orderly school environment is essential to a good school and student learning. Rules and procedures are designed to create a sense of security among students. The New Berlin Senior High School staff and administration has clear behavior expectations for high school students that will maintain an orderly educational environment. Students are held to these standards by all staff and administration, and when they are not meeting the expectations, a range of consequences will be issued for those who violate school rules. Please read this section carefully.

6.10 General Building Conduct/Expectations

- Students must have a properly completed pass through eHallpass to be in the hallway during class time. Students will submit the eHallpass for the teacher to approve.
- Students must place their cell phones in the cell phone holder before the bell rings at the beginning of each class. The cell phones must remain in the cell phone holder the entire class period until the class is dismissed by the teacher. Students are not permitted to have their cell phones out and using them in the hallways during class time, unless permission has been granted by

the teacher to take the cell phone out of the holder to use it in the hallway.

- Students shall not run, talk loudly or yell in the hallways nor shall they push, shove or hit others.
- Drink containers that are filled with water are permitted in the classroom and in the hallways. All other beverages are not permitted in hallways, classrooms, or lockers.
- Food items shall not be in the hallways or lockers at any time. **Food items are not to be consumed in the hallways or individual classrooms. Vending machine food may only be purchased before or after school.**
- Hats and bandanas shall not be worn in the building. Any hat brought to school shall be removed before entering.

Hallway/Passing to Class Expectations

Students change class at the end of each period. Cooperation and courtesy are expected during passing periods. Students have a four (4) minute passing time. The teacher, not the bell, dismisses students. To assist in getting to class on time, students should use the most direct route possible, keep to the right, walk at all times, keep noise to a minimum, and keep hands and feet to themselves.

Library Media Center Expectations/Conduct

The Library Media Center, and its materials and resources, exists primarily for the purpose of student-use. Students are encouraged to make full use of the facility for all their information needs. If there is some item that you feel the LMC might need in its collection, let the Library Media Specialist know. To ensure that our Library Media Center is and will remain available for all students to use, patrons of the LMC must abide by the following rules intended to protect everyone's rights and privileges. Violators of these rules will be subject to detention.

1. Students coming from class must SIGN-IN and present the Media Center Supervisor with a PASS from his or her classroom teacher.
2. Books may be charged out for THREE (3) WEEKS and must be returned by the date due or a fine of 10¢ per day will be assessed.
3. Students with unpaid fines or overdue books may be prohibited from charging out any other resources.
4. Student behavior in the LMC shall be regulated as it is in any classroom.

6.20 School Dress Code

Dress for Success

We are committed to preparing students for success after high school – whatever their post-secondary plans may include. Part of that preparation includes the understanding of the importance of context as they begin navigating the world. Choosing the right attire for different contexts is an important life skill. The “Dress for Success Norms” encourages students to keep their focus on learning, maintain age-appropriate expectations, and express their individuality in an appropriate manner. We are committed to provide an environment that allows students to feel comfortable while expressing their individuality. The New Berlin staff will take great strides to ensure that these straightforward Dress for Success Norms apply equally to both male and female students. We strive to enforce these rules respectfully and without judgment. We appreciate and expect parent and student cooperation in our efforts to make our Dress for Success Norms and their enforcement fair, balanced, and gender-neutral. If there is any doubt about dress and appearance, the building principal will make the final decision.

Dress for Success - What to Wear

All students must follow these norms at school and all school-sponsored events. This includes, but is not limited to, school activities, field trips, and school-sponsored after-school programs.

- Students are expected to dress appropriately for school, wearing clothing that is well-suited for the school environment.
- Clothing will completely cover the torso, including top of chest, and backside in non-see-through materials, covering all undergarments..
- Shirts of any kind must have straps that cover undergarments.
- The length of shorts or skirts must be appropriate for the school environment.
- Safety is paramount. Appropriate footwear (sneakers, boots, sandals, etc.) must be worn at all times. State law specifies that safety glasses must be worn in shops and labs when working with machinery and/or chemicals.

Examples of prohibited attire

- Students are to use discretion in their dress and are not permitted to wear apparel that causes a substantial disruption in the school environment. Words or messages that are so offensive to any individual or group as to create an immediate reaction disruptive to the orderly operation of the school or school activities are prohibited.
- Headcover of any type: caps, hats, hoods, or bandanas.
- Hair styles, dress, and accessories that pose a safety hazard are not permitted in the shop, laboratories, or during physical education.
- Pierced jewelry that presents a safety hazard, spiked apparel, spike accessories, animal collars, or chains that can be used as weapons are prohibited.
- Student dress (including accessories) may not advertise, promote, or picture alcoholic beverages or names, illegal drugs, drug paraphernalia, tobacco ads, sexual innuendo, profane language, vulgar statements, gang or satanic symbols, hate messages, death, suicide, violent behavior, or other inappropriate images.
- Thick/bulky jackets, coats, or other types of outdoor apparel such as sunglasses are not allowed to be worn in the building except when arriving or leaving; they are to remain in the students' lockers at all times.
- Clothing that reveals undergarments through rips, holes, tears, or that is poorly fitting/sagging is not permitted to be worn at school.

Non-Compliance with Dress For Success Norms

NBHS staff will address non-compliance with the Dress for Success Norms in a respectful and professional manner; our intent is not to shame individual students for their wardrobe choices. We would expect that no student should need to be asked more than once, in one year, to adjust their attire to meet the norms. If a student needs to be asked more than once it becomes an issue of disrespect/insubordination rather than an issue about dress.

- 1st Offense: Warning** Student will be asked to change clothes. The student will remain in the office or DSR until a parent can bring in a change of clothes.
- 2nd Offense:** Detention and student will be asked to change clothes. The student will remain in the office or DSR until a parent can bring in a change of clothes.
- 3rd Offense:** Saturday Detention and student will be asked to change clothes. The student will remain in the office or DSR until a parent can bring in a change of clothes.

6.30 Student Conduct

When and Where Conduct Rules Apply

The grounds for disciplinary action also apply whenever the student's conduct is reasonably related to school or school activities, including but not limited to:

1. On, or within sight of, school grounds before, during, or after school hours or at any time;
2. Off school grounds at a school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school;
3. Traveling to or from school or a school activity, function, or event; or
4. Anywhere, if the conduct interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.
5. During Periods of Remote Learning

Disciplinary Infractions and Consequences

Appropriate disciplinary action will be taken when students do not follow expectations for conduct. School rules apply at all school activities, even when they occur outside the regular school day or away from school grounds including any type of school sponsored trip (See Chapter 9). The principal shall take into consideration the age of the student and the discipline history when determining consequences. The principal may determine a more stringent consequence after considering all the circumstances of a situation. Copies of all School District policies on student behavior are available online through the School District's website, in the student agenda, or in the school office.

Student misconduct falls into one of 3 categories: MINOR, MAJOR or GROSS Misconduct. Progressive Discipline Steps are designed to discourage students from making decisions that negatively impact themselves and others and are set up to respond to student misbehavior on a graduated basis based on both frequency and severity. Students may be disciplined for gross disobedience or misconduct, including but not limited to the following:

Responses to MINOR MISCONDUCT

Classroom Interventions

Each teacher will have a list of classroom rules, which will be presented, posted, and distributed the first week of each Semester, then reviewed throughout the school year. This rule list serves as a Step #1 initiative.

1. Rule Presentation and Posting
2. Verbal Warning
3. Proximity Control
4. Selected Seating
5. Accommodate Assignments/Homework Detention
6. Ignoring Misbehavior/Redirecting
7. Logical Consequences
8. Modeling Appropriate Behavior

When student behavior becomes so disruptive that the learning environment is jeopardized, intervention beyond a warning is required, or is significant to the extent that the action violates specific stated expectations of student behavior, the teacher will submit a disciplinary report to the office. When the teacher submits a disciplinary referral, an email notification to the parent will automatically generate from the Skyward Student Management System.

Examples of MINOR MISCONDUCT

1. Late to class
2. Talking in class
3. Dress code violation
4. Refusal to work/head down/sleeping in class
5. Throwing/Projecting objects
6. Disruptive to Classroom (Teacher or Students)
7. Possession of Electronic Device
8. Disorderly conduct
9. Homework not complete

Examples of MINOR MISCONDUCT

1. Using or possessing an electronic device.

Disciplinary Measures

School officials shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent practicable, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions.

The list below of disciplinary measures is a range of options that will not always be applicable in every case. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension or expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the disruption is a suspension or expulsion. School personnel shall not advise or encourage students to drop out of school voluntarily due to behavioral or academic difficulties. Potential disciplinary measures include, without limitation, any of the following options:

Minor Misconduct	Major Misconduct	Gross Misconduct
<ul style="list-style-type: none"> • Notifying parents/guardians. • Verbal reprimand. • Disciplinary conference. • Withholding of privileges. • Temporary removal from the classroom. • Return of property or restitution for lost, stolen or damaged property. • Detention – homework, after-school, or Saturday - provided the student's parent/guardian has been notified. (If transportation arrangements cannot be made in advance, an alternative disciplinary measure will be assigned to the student.) • Directed Study Room/Alternative Classroom Setting - # of days based upon the severity of misconduct 	<ul style="list-style-type: none"> • Notifying parents/guardians. • Disciplinary conference. • Withholding of privileges. • Temporary removal from the classroom. • Return of property or restitution for lost, stolen or damaged property. • Directed Study Room/Alternative Classroom Setting - # of days based upon the severity of misconduct • Detention – homework, after-school, or Saturday - provided the student's parent/guardian has been notified. CORRECTIVE MEASURES

WARNING

When appropriate, staff will give a verbal warning to a student the first time an inappropriate behavior occurs indicating to the student that a reoccurrence of the behavior will result in the issue of a detention.

OFFICE REFERRALS

An office referral is a notice from the teacher that the action is so disruptive as to require teacher intervention beyond a warning to stop and is significant to the extent that the action violates specific stated expectations as outlined in the section titled "Disciplinary Actions". An Office Referral may include the student being sent from the room to the office in order for the teacher to maintain an appropriate learning environment. Consequences will be given according to the handbook policies.

Parental notification for disciplinary action will also be made by mail and, when possible, by email/phone. Depending on the severity of the offense, parent conferences may be requested. Law enforcement authorities may be notified in all incidents where criminal activity is indicated. Restitution will be required in cases where property is damaged or missing.

SEVERE CLAUSE

Staff will issue an immediate disciplinary report to the office for any student who exhibits behavior of a totally unacceptable and disruptive nature to the learning environment. Consequences as per the handbook will be applied. Parental notification for disciplinary action will also be made by mail and, when possible, by email/phone. Depending on the severity of the offense, parent conferences may be requested. Law enforcement authorities may be notified in all incidents where criminal activity is indicated. Restitution will be required in cases where property is damaged or missing.

HOMEWORK/LUNCH DETENTION

Students serving a detention for incomplete homework will turn in their completed homework at the end of each detention session. The detention supervisor will then put the completed homework in the designated teachers mailbox. The work the student completes in detention is what will be counted by their teacher. If a student does not turn in any work at the end of the detention session, the student may receive a zero for the assignment.

DETENTION

Parents must be notified before a student serves detention. If the student rides a bus, the student and parent shall be given one-day advance notice of the detention. Detention is offered on Tuesday, Wednesday, Thursday, and Saturday. Weekday evening detentions will begin at 3:30 PM and conclude at 4:30 PM. Saturday detentions will be served from 8:00 to 10:00 AM.

Students in detention are responsible for their own transportation. If a scheduled detention of any type is not served, or if the student is tardy to detention, it doubles. If a student fails to serve a rescheduled detention, he/she will be assigned to DSR for at least 1 day. Unless otherwise noted, any second or subsequent offense will result in a higher consequence level as deemed appropriate by school administration. Violations of some expected behaviors will result in the potential loss of privileges. Students may appeal the assignment of detention with a verbal or written request to the principal. Appeals should be held from 8:10 to 8:25 AM or from 3:20 to 3:45 PM on school days and made within 2 days of receiving the notice. **An automated email will be sent to parents when Office Referrals are written.**

GUIDELINES FOR DETENTION:

1. Detentions may be issued to students in accordance with our disciplinary guidelines. Students will be assigned to the next scheduled Tuesday, Wednesday, Thursday or Saturday detention and will be notified of the date and place.
2. Students are to arrive at detentions on time. Students arriving late will have additional time assigned and will be turned away.
3. For detentions lasting more than one hour students will have a restroom break lasting 5 minutes between each hour.
4. Students must bring school assignments and school books with them. No magazines will be allowed. No drawing or doodling will be permitted. Students must be actively engaged in schoolwork.
5. No talking is allowed.
6. Students may not sleep or put their heads down on their desks.
7. No candy, food or drinks are allowed.
8. Students will have assigned seating.
9. If the guidelines are not followed, students will be warned once. Problems after that will result in dismissal from that detention session with additional consequences.
10. Students who miss Saturday detentions or who are removed from Saturday detentions will receive an in-school suspension.
11. Students are to be picked up promptly after detention. Students are responsible to make arrangements for rides home ahead of time and should not expect to use the school phone for obtaining rides.
12. No electronic devices or cellular telephones may be utilized during detention.
13. Only students assigned to detention will be allowed.

EXCLUSION FROM CLASS

Teachers have the authority to exclude from class students who are disruptive, discourteous, disrespectful, or who interfere with the educational process. Students may be excluded from class for one (1) day per incident. Failure to report to the office shall be considered insubordination and appropriate disciplinary action shall be taken. Students who are removed from class will receive zeroes for grades taken during that time.

DIRECTED STUDY ROOM

Students placed in Directed Study Room (formerly known as in-school suspension) will report to the office in the morning. Students will be segregated from the student population for the entirety of the school day. Students will be allowed to make up homework and quizzes/tests. Students on in-school suspension will not be allowed to participate in extracurricular activities for the day they are on in-school detention. This would be considered an unexcused absence from extracurricular activities.

SUSPENSION – OUT OF SCHOOL

Students placed on out-of-school suspension must not appear on school property, nor attend any school activity in which CUSD #16 is participating, until the suspension has been completed. Students will be permitted to make up all missed work, including homework and tests, for equivalent academic credit. **Out-of-school suspensions will be counted as unexcused absences. Students will receive full credit for assignments turned in upon the first day back from suspension.** Failure to abide by the above rules will cause additional out-of-school suspension time to be assigned. Repeated suspensions may result in a recommendation for expulsion. Parents will be notified of out-of-school suspensions by telephone or by mail.

If you would like to discuss or appeal any aspect of suspension with the principal, Director of Student Services, or teachers please schedule a conference by contacting the principal. If the appeal is not satisfactory, the Illinois State School Code, Chapter 122 Section 10-22.6, provides for parents/guardians or suspended students an opportunity to appear before the school board for a review of the suspension. Please contact the district secretary to appeal an out-of-school suspension in order to appear before the Board of Education.

EXPULSION

Expulsion is the total separation of a student from school. This action must be made by the Board of Education. Expulsion is the final alternative in attempting to correct a problem. Parents will be notified of the procedure and their rights in expulsion proceedings.

Expulsion may be justified in any of the following:

- a. A single serious violation of a school rule.
- b. The continuous violation of established school rules, interference with the educational process, or disregard for authority.
- c. The endangerment of the health, safety, or welfare of students, faculty, or other school personnel.
- d. Any of the episodes listed in other sections of the handbook that would call for expulsion.

Re-Engagement of Returning Students

The building principal or designee shall meet with a student returning to school from an out-of-school suspension, expulsion or alternative school setting. The goal of this meeting shall be to support the student's ability to be successful in school following a period of exclusion and shall include an opportunity for students who have been suspended to complete or make-up missed work for equivalent academic credit.

Isolated Time Out, Time Out and Physical Restraint

Isolated time out, time out, and physical restraint shall only be used if the student's behavior presents an imminent danger of serious physical harm to the student or others and other less restrictive and intrusive measures were tried and proven ineffective in stopping it. The school may not use isolated time out, time out, and physical restraint as discipline or punishment, convenience for staff, retaliation, a substitute for appropriate educational or behavioral support, a routine safety matter, or to prevent property damage in the absence of imminent danger of serious physical harm to the student or others. **The use of prone restraint is prohibited.**

Corporal Punishment

Corporal punishment is illegal and will not be used. Corporal punishment is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

Weapons Prohibition

A student who is determined to have brought one of the following objects to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school shall be expelled for a period of not less than one year but not more than 2 calendar years:

- A firearm, meaning any gun, rifle, shotgun, a weapon as defined by Section 921 of Title 18 of the United States Code, firearm as defined in Section 1.1 of the Firearm Owners Identification Card Act, or firearm as defined in Section 24-1 of the Criminal Code of 1961. The expulsion period may be modified by the superintendent, and the superintendent's determination may be modified by the board on a case-by-case basis.
- A knife, brass knuckles or other knuckle weapon regardless of its composition, a billy club, or any other object if used or attempted to be used to cause bodily harm, including "look alikes" of any firearm as defined above. The expulsion requirement may be modified by the superintendent, and the superintendent's determination may be modified by the board on a case-by-case basis.

Gang & Gang Activity Prohibited

"Gang" is defined as any group, club or organization of two or more persons whose purposes include the commission of illegal acts. No student on or about school property or at any school activity or whenever the student's conduct is reasonably related to a school activity, shall: (1) wear, possess, use, distribute, display, or sell any clothing, jewelry, paraphernalia or other items which reasonably could be regarded as gang symbols; commit any act or omission, or use either verbal or non-verbal gestures, or handshakes showing membership or affiliation in a gang; or (2) use any speech or commit any act or omission in furtherance of the interest of any gang or gang activity, including, but not limited to, soliciting others for membership in any gangs; (3) request any person to pay protection or otherwise intimidate, harass or threaten any person; (4) commit any other illegal act or other violation of district policies, (5) or incite other students to act with physical violence upon any other person.

6.40 Prevention of and Response to Bullying, Intimidation, and Harassment

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important district and school goals.

Bullying on the basis of actual or perceived race, color, national origin, immigration status, military status, unfavorable discharge status from the military service, sex, sexual orientation, gender identity, gender-related identity or expression, ancestry, age, religion, physical or mental disability, order of protection status, status of being homeless, or actual or potential marital or parental status, including pregnancy, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic is prohibited in each of the following situations:

1. During any school-sponsored education program or activity.
2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
4. Through the transmission of information from a computer that is accessed at a nonschool-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by the school district or school if the bullying causes a substantial disruption to the educational process or the orderly operation of a school.

Bullying includes cyber-bullying (bullying through the use of technology or any electronic communication) and means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

1. Placing the student or students in reasonable fear of harm to the student's or students' person or property;
2. Causing a substantially detrimental effect on the student's or students' physical or mental health;
3. Substantially interfering with the student's or students' academic performance; or
4. Substantially interfering with the student's or students' ability to participate in or benefit from the services, activities, or privileges provided by a school.

Cyberbullying means bullying through the use of technology or any electronic communication, including without limitation any transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic system, photo-electronic system, or photo-optical system, including without limitation electronic mail, Internet communications, instant messages, or facsimile communications. Cyberbullying includes the creation of a webpage or weblog in which the creator assumes the identity of another person or the knowing impersonation of another person as the author of posted content or messages if the creation or impersonation creates any of the effects enumerated in the definition of bullying. Cyberbullying also includes the distribution by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed by one or more persons if the distribution or posting creates any of the effects enumerated in the definition of bullying.

Bullying may take various forms, including without limitation one or more of the following: harassment, threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying. This list is meant to be illustrative and non-exhaustive.

Students are encouraged to immediately report bullying. A report may be made orally or in writing to the building principal, district complaint manager, or any staff member with whom the student is comfortable speaking. All district staff members are available for help

with a bully or to make a report about bullying. Anyone, including staff members and parents/guardians, who has information about actual or threatened bullying is encouraged to report it to the district complaint manager or any staff member.

1. Students who believe in good faith that they are a victim of bullying or harassment are encouraged to report, orally or in writing, such conduct to any member of the school staff the student feels comfortable talking with or report to the Principal's Office. Submit a report electronically using the [Incident Reporting Form](#)
2. Any school personnel who observes bullying or harassing conduct or who acquires information, even anonymously, about actual or threatened bullying directed toward a student shall report such conduct to the building Principal. Interventions used to address bullying and/or harassment behavior may include, but shall not be limited to, school social work services, restorative measures, social-emotional skill building, and school psychological services as appropriate to address specific acts and circumstances of bullying/harassment complaints.
5. No one reporting or supplying information about acts of bullying/harassment shall be retaliated against or punished.
6. Annually, the Superintendent shall direct all students, their parents and school personnel shall be informed of the District Policy on bullying/harassment and this Prevention Plan.

6.60 Field Trips – Conduct/Eligibility

Field trips are a privilege for students. Trips may be for the day, or may include an overnight stay. The taking of trips by students is contingent upon demonstration of appropriate behavior and passing all classes at New Berlin schools. If a student receives an out-of-school suspension during the academic year when such a trip is scheduled, the student may be denied the privilege of participating in the trip. Students must abide by all school policies during transportation and during field-trip activities, and shall treat all field trip locations as though they are school grounds. Failure to abide by school rules and/or location rules during a field trip may subject the student to discipline.

All students who wish to attend a field trip must receive written permission from a parent or guardian with authority to give permission. All work that will be missed on the day of the field trip must be turned in prior to attending the field trip, unless otherwise arranged by a classroom teacher. Students may be prohibited from attending field trips for any of the following reasons:

- Failure to receive appropriate permission from parent/guardian or teacher;
- Failure to complete appropriate coursework;
- Behavioral or safety concerns;
- Denial of permission from administration;
- Other reasons as determined by the school.

Senior Trip Conduct/Eligibility

In order to participate in an approved senior trip, a student must have senior standing and meet the following eligibility requirements:

- **Attendance:** No attendance letter on record.
- **Academics:** Currently passing all classes, including any class in any term of the senior year.
- **Fees:** All debts to the school and to the class must be paid prior to signing up for the trip.
- **Discipline:** No out of school suspension during senior year.

Students deficient in meeting these requirements will be denied the privilege of participating in the trip. Early graduates may not

participate. All handbook rules apply while the student is on the trip. Should a student violate a policy deemed serious by the sponsor, the student's parents will be contacted and required to return the student home at parent's expense. Students attending the Senior Class Trip must have a parent permission slip and medical release form signed prior to the trip to participate. Emergency numbers must be made available. Second year seniors will be expected to pay the full individual portion of the senior trip minus the credits earned in the senior year. Senior Trips will be taken to Chicago or St. Louis, unless a proposal of another destination is made by Senior Class Officers to the Principal and/or the Board of Education for approval by the November Board Meeting.

6.70 Access to Student Social Networking Passwords & Websites

School officials may conduct an investigation or require a student to cooperate in an investigation if there is specific information about activity on the student's account on a social networking website that violates a school disciplinary rule or policy. In the course of an investigation, the student may be required to share the content that is reported in order to allow school officials to make a factual determination. School authorities may require a student or his or her parent or guardian to provide a password or other related account information in order to gain access to the student's account or profile on a social networking website if school authorities have reasonable cause to believe that a student's account on a social networking website contains evidence that a student has violated a school disciplinary rule or procedure.

This includes, but is not limited to, the following: (1) using the device to take photographs in locker rooms or bathrooms; (2) cheating; and (3) creating, sending, sharing, viewing, receiving, or possessing an indecent visual depiction or non-consensual dissemination of private sexual images (i.e., sexting). Chapter 7: Internet, Technology, and Publications

7.10 Acceptable Use of the District's Electronic Networks

All use of the District's electronic networks shall be consistent with the District's goal of promoting educational excellence by facilitating resource sharing, innovation, and communication. These procedures do not attempt to state all required or prohibited behavior by users. However, some specific examples are provided. The failure of any user to follow these procedures will result in the loss of privileges, disciplinary action, and/or legal action.

Terms and Conditions

The term electronic networks includes all of the District's technology resources, including, but not limited to:

1. The District's local-area and wide-area networks, including wireless networks (Wi-Fi), District-provided Wi-Fi hotspots, and any District servers or other networking infrastructure;
2. Access to the Internet or other online resources via the District's networking infrastructure or to any District-issued online account from any computer or device, regardless of location;
3. District-owned and District-issued computers, laptops, tablets, phones, or similar devices.

Acceptable Use

Access to the District's electronic networks must be: (a) for the purpose of education or research, and be consistent with the District's educational objectives, or (b) for legitimate business use.

Privileges

Use of the District's electronic networks is a privilege, not a right, and inappropriate use may result in a cancellation of those privileges, disciplinary action, and/or appropriate legal action. The system administrator or Building Principal will make all decisions regarding whether or not a user has violated these procedures and may deny, revoke, or suspend access at any time. His or her decision is final.

Unacceptable Use

The user is responsible for his or her actions and activities involving the electronic networks. Some examples of unacceptable uses are:

- a. Using the electronic networks for any illegal activity, including violation of copyright or other intellectual property rights or contracts, or transmitting any material in violation of any State or federal law;
- b. Using the electronic networks to engage in conduct prohibited by board policy;
- c. Unauthorized downloading of software or other files, regardless of whether it is copyrighted or scanned for malware;
- d. Unauthorized use of personal removable media devices (such as flash or thumb drives);
- e. Downloading of copyrighted material for other than personal use;
- f. Using the electronic networks for private financial or commercial gain;
- g. Wastefully using resources, such as file space;
- h. Hacking or attempting to hack or gain unauthorized access to files, accounts, resources, or entities by any means;
- i. Invading the privacy of individuals, including the unauthorized disclosure, dissemination, and use of information about anyone that is of a personal nature, such as a photograph or video;
- j. Using another user's account or password;
- k. Disclosing any network or account password (including your own) to any other person, unless requested by the system administrator;
- l. Posting or sending material authored or created by another without his/her consent;
- m. Posting or sending anonymous messages;
- n. Creating or forwarding chain letters, spam, or other unsolicited messages;
- o. Using the electronic networks for commercial or private advertising;
- p. Accessing, sending, posting, publishing, or displaying any abusive, obscene, profane, sexual, threatening, harassing, illegal, or knowingly false material;
- q. Misrepresenting the user's identity or the identity of others; and
- r. Using the electronic networks while access privileges are suspended or revoked.

Network Etiquette

The user is expected to abide by the generally accepted rules of network etiquette. These include, but are not limited to, the following:

- a. Be polite. Do not become abusive in messages to others.
- b. Use appropriate language. Do not swear, or use vulgarities or any other inappropriate language.
- c. Do not reveal personal information, including the addresses or telephone numbers, of students or colleagues.
- d. Recognize that the District's electronic networks are not private. People who operate District technology have access to all email and other data. Messages or other evidence relating to or in support of illegal activities may be reported to the authorities.
- e. Do not use the networks in any way that would disrupt its use by other users.
- f. Consider all communications and information accessible via the electronic networks to be private property.

No Warranties

The District makes no warranties of any kind, whether expressed or implied, for the service it is providing. The District will not be responsible for any damages the user suffers. This includes loss of data resulting from delays, non-deliveries, missed-deliveries, or service interruptions caused by its negligence or the user's errors or omissions. Use of any information obtained via the Internet is at the user's own risk. The District specifically denies any responsibility for the accuracy or quality of information obtained through its services.

Indemnification

By using the District's electronic networks, the user agrees to indemnify the District for any losses, costs, or damages, including reasonable attorney fees, incurred by the District relating to, or arising out of, any violation of these procedures.

Security

Network security is a high priority. If the user can identify or suspects a security problem on the network, the user must promptly notify the system administrator or Building Principal. Do not demonstrate the problem to other users. Keep user account(s) and password(s) confidential. Do not use another individual's account without written permission from that individual. Attempts to log-on to the network as a system administrator will result in cancellation of user privileges. Any user identified as a security risk may be denied access to the networks.

Vandalism

Vandalism will result in cancellation of privileges and other disciplinary action. Vandalism is defined as any malicious attempt to harm or destroy data of another user, the Internet, or any other network. This includes, but is not limited to, the uploading or creation of malware, such as viruses and spyware.

Telephone Charges

The District assumes no responsibility for any unauthorized charges or fees, including telephone charges, texting or data use charges, long-distance charges, per-minute surcharges, and/or equipment or line costs.

Copyright Web Publishing Rules

Copyright law and District policy prohibit the re-publishing of text or graphics found on the Internet or on District websites or file servers/cloud storage without explicit written permission.

- a. For each re-publication (on a website or file server) of a graphic or a text file that was produced externally, there must be a notice at the bottom of the page crediting the original producer and noting how and when permission was granted. If possible, the notice should also include the web address of the original source.

- b. Students engaged in producing web pages must provide library media specialists with email or hard copy permissions before the web pages are published. Printed evidence of the status of public domain documents must be provided.
- c. The absence of a copyright notice may not be interpreted as permission to copy the materials. Only the copyright owner may provide the permission. The manager of the website displaying the material may not be considered a source of permission.
- d. The fair use rules governing student reports in classrooms are less stringent and permit limited use of graphics and text.
- e. Student work may only be published if there is written permission from both the parent/guardian and student.

Use of Email

The District's email system, and its constituent software, hardware, and data files, are owned and controlled by the District. The District provides email to aid students in fulfilling their duties and responsibilities, and as an education tool.

- a. The District reserves the right to access and disclose the contents of any account on its system, without prior notice or permission from the account's user. Unauthorized access by any student to an email account is strictly prohibited.
- b. Each person should use the same degree of care in drafting an email message as would be put into a written memorandum or document. Nothing should be transmitted in an email message that would be inappropriate in a letter or memorandum.
- c. Electronic messages transmitted via the District's Internet gateway carry with them an identification of the user's Internet domain. This domain is a registered name and identifies the author as being with the District. Great care should be taken, therefore, in the composition of such messages and how such messages might reflect on the name and reputation of the District. Users will be held personally responsible for the content of any and all email messages transmitted to external recipients.
- d. Any message received from an unknown sender via the Internet, such as spam or potential phishing emails, should either be immediately deleted or forwarded to the system administrator. Downloading any file attached to any Internet-based message is prohibited unless the user is certain of that message's authenticity and the nature of the file so transmitted.
- e. Use of the District's email system constitutes consent to these regulations.

Internet Safety

Internet access is limited to only those acceptable uses as detailed in these procedures. Internet safety is supported if users will not engage in unacceptable uses, as detailed in these procedures, and otherwise follow these procedures.

Staff members will supervise students while students are using District Internet access to ensure that the students abide by the Terms and Conditions for Internet access contained in these procedures.

Each District computer with Internet access has a filtering device that blocks entry to visual depictions that are: (1) obscene, (2) pornographic, or (3) harmful or inappropriate for students, as defined by the Children's Internet Protection Act and as determined by the Superintendent or designee. The system administrator and Building Principals shall monitor student Internet access. Classroom internet usage is monitored through GoGuardian

Computer/Internet Usage Agreement

All students using any computer housed within NBHS must have on file a computer usage agreement signed by both the student and his/her parent or guardian. There are no exceptions. Each student and parent, by signing the Computer Usage Agreement, agrees to its expectations for student behavior with all computer equipment and software.

Students are expected to abide by the generally accepted rules of network etiquette. These include but are not limited to the following:

1. Be polite. Abusive messages are prohibited.
2. Use appropriate language. Do not swear, use vulgarities or any other inappropriate language. Illegal activities are strictly forbidden. Typing e-mail messages in all capital letters is taken as shouting at someone and not condoned.
3. Do not reveal your personal address, phone numbers of students or colleagues, credit card numbers, bank account numbers, age, social security number, or physical location in an email message or on-line post without approval from a parent or teacher.
4. Note that email is not guaranteed to be private. People who operate the system do have access to all mail. Messages relating to or in support of illegal activities may be reported to the authorities.
5. Do not use the network in such a way that you would disrupt the use of the network by other users.
6. All communications and information accessible via the network should be assumed to be private property. Because use is educationally-based, the system use is subject to district review at any time.
7. You should never respond to email messages that are threatening or obscene.
8. Never assume on-line users are who they say they are. The anonymity of the Net allows some users to cloak themselves in fictional personas.

The following are some examples of inappropriate conduct that may cause a student to lose the privilege of computer lab/computer usage at NBHS:

1. Placing unlawful information on a system
2. Using abusive or otherwise objectionable language in public or private messages
3. Sending messages that are likely to result in the loss of the recipient's work on systems
4. Sending a broadcast or chain letter messages to lists or individuals, or any other use which would congest the networks or otherwise interfere with the work of others
5. Attempting to sabotage the school network in any fashion through changing computer setup, wiring arrangement, hub settings, etc.
6. Downloading any type of information or posting any type of information over the Internet which is not required by a specific portion of a class assignment
7. Attempting to infect a computer or system with a virus, whether intentionally or unintentionally, by not following established virus checking procedures
8. Accessing and/or viewing information from the Internet which is not directly related to a class assignment and having been permitted by the classroom teacher or library staff
9. Violating the privacy of self or others on the net

Appropriate legal authorities will be contacted if there is any suspicion of illegal activity.

Consequences for violations:

1st Offense: Loss of all school computer privileges for 1 week

2nd Offense: Loss of all school computer privileges for 1 month

3rd Offense: Loss of all school computer privileges for 1 semester

Any criminal activity will be reported to the police and to appropriate Internet companies.

7.40 Annual Notice to Parents About Educational Technology Vendors Under the Student Online Personal Protection Act (SOPPA)

School districts throughout the State of Illinois contract with different educational technology vendors for beneficial K-12 purposes such as providing personalized learning and innovative educational technologies, and increasing efficiency in school operations.

Under Illinois' Student Online Personal Protection Act, or SOPPA (105 ILCS 85/), educational technology vendors and other entities that operate Internet websites, online services, online applications, or mobile applications that are designed, marketed, and primarily used for K-12 school purposes are referred to in SOPPA as *operators*. SOPPA is intended to ensure that student data collected by operators is protected, and it requires those vendors, as well as school districts and the Ill. State Board of Education, to take a number of actions to protect online student data.

Depending upon the particular educational technology being used, our District may need to collect different types of student data, which is then shared with educational technology vendors through their online sites, services, and/or applications. Under SOPPA, educational technology vendors are prohibited from selling or renting a student's information or from engaging in targeted advertising using a student's information. Such vendors may only disclose student data for K-12 school purposes and other limited purposes permitted under the law.

In general terms, the types of student data that may be collected and shared include personally identifiable information (PII) about students or information that can be linked to PII about students, such as:

- Basic identifying information, including student or parent/guardian name and student or parent/guardian contact information, username/password, student ID number
- Demographic information
- Enrollment information
- Assessment data, grades, and transcripts
- Attendance and class schedule
- Academic/extracurricular activities
- Special indicators (e.g., disability information, English language learner, free/reduced meals or homeless/foster care status)
- Conduct/behavioral data
- Health information
- Food purchases
- Transportation information
- In-application performance data
- Student-generated work
- Online communications
- Application metadata and application use statistics

· Permanent and temporary school student record information
Operators may collect and use student data only for K-12 purposes, which are purposes that aid in the administration of school activities, such as:

- Instruction in the classroom or at home (including remote learning)
- Administrative activities
- Collaboration between students, school personnel, and/or parents/guardians
- Other activities that are for the use and benefit of the school district

Chapter 8: Search and Seizure

8.10 Search and Seizure

In order to maintain order, safety and security in the schools, school authorities are authorized to conduct reasonable searches of school property and equipment, as well as of students and their personal effects. "School authorities" includes school liaison police officers.

School Property and Equipment as well as Personal Effects Left There by Students

School authorities may inspect and search school property and equipment owned or controlled by the school (such as lockers, desks, and parking lots), as well as personal effects left there by a student, without notice to or consent of the student. Students have no reasonable expectation of privacy in these places or areas or in their personal effects left there.

The building principal may request the assistance of law enforcement officials to conduct inspections and searches of lockers, desks, parking lots, and other school property and equipment for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs.

Student Searches

School authorities may search a student and/or the student's personal effects in the student's possession (such as, purses, wallets, knapsacks, book bags, lunch boxes, etc.) when there is a reasonable ground for suspecting that the search will produce evidence the particular student has violated or is violating either the law or the school or district's student rules and policies. The search will be conducted in a manner that is reasonably related to its objective of the search and not excessively intrusive in light of the student's age and sex, and the nature of the infraction.

School officials may require a student to cooperate in an investigation if there is specific information about activity on the student's account on a social networking website that violates the school's disciplinary rules or school district policy. In the course of the investigation, the student may be required to share the content that is reported in order for the school to make a factual determination. School officials may not request or require a student or his or her parent/guardian to provide a password or other related account information to gain access to the student's account or profile on a social networking website.

Seizure of Property

If a search produces evidence that the student has violated or is violating either the law or the school or district's policies or rules, evidence may be seized and impounded by school authorities, and disciplinary action may be taken. When appropriate, evidence may be transferred to law enforcement authorities.

Questioning of Students Suspected of Committing Criminal Activity

Before a law enforcement officer, school resource officer, or other school security person detains and questions on school grounds a student under 18 years of age who is suspected of committing a criminal act, the building principal or designee will: (a) Notify or attempt to notify the student's parent/guardian and document the time and manner in writing; (b) Make reasonable efforts to ensure the student's parent/guardian is present during questioning or, if they are not present, ensure that a school employee (including, but not limited to, a social worker, psychologist, nurse, guidance counselor, or any other mental health professional) is present during the questioning; and (c) If practicable, make reasonable efforts to ensure that a law enforcement officer trained in promoting safe interactions and communications with youth is present during the questioning.

11.20 Student Records

A school student record is any writing or other recorded information concerning a student and by which a student may be identified individually that is maintained by a school or at its direction or by a school employee, regardless of how or where the information is stored, except for certain records kept in a staff member's sole possession; records maintained by law enforcement officers working in the school; video and other electronic recordings that are created in part for law enforcement, security, or safety reasons or purposes; and electronic recordings made on school buses.

The Family Educational Rights and Privacy Act (FERPA) and the Illinois Student Records Act afford parents/guardians and students over 18 years of age ("eligible students") certain rights with respect to the student's school records. They are:

1. The right to inspect and copy the student's education records within 10 business days from the day the District receives a request for access.

The degree of access a student has to his or her records depends on the student's age. Students less than 18 years of age have the right to inspect and copy only their permanent record. Students 18 years of age or older have access and copy rights to both permanent and temporary records. A parent/guardian or student should submit to the building principal a written request that identifies the record(s) he or she wishes to inspect. The principal will make arrangements for access and notify the parent/guardian or student of the time and place where the records may be inspected. The District charges \$.35 per page for copying but no one will be denied their right to copies of their records for inability to pay this cost.

These rights are denied to any person against whom an order of protection has been entered concerning the student.

2. The right to have one or more scores received on college entrance examinations included on the student's academic transcript.

Parents/guardians or eligible students may have one or more scores on college entrance examinations included on the student's academic transcript. The District includes all SAT scores on a student's academic transcript. If a student does not want their scores added they need to submit this request in writing to the Director of Student Services. If a student wants their ACT scores to be added to their academic transcript, they need to notify the Director of Student Services in writing. We do not add ACT scores to their academic transcript unless requested to do so.

3. The right to request the amendment of the student's education records that the parent/ guardian or eligible student believes are inaccurate, irrelevant, or improper.

A parent/guardian or eligible student may ask the District to amend a record that is believed to be inaccurate, irrelevant, or improper.

Requests should be sent to the building principal and should clearly identify the record the parent/guardian or eligible student wants changed and the specific reason a change is being sought.

If the District decides not to amend the record, the District will notify the parent/guardian or eligible student of the decision and advise him or her of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent/guardian or eligible student when notified of the right to a hearing.

4. The right to permit disclosure of personally identifiable information contained in the student's education records, except to the extent that the FERPA or Illinois School Student Records Act authorizes disclosure without consent.

Disclosure without consent is permitted to school officials with legitimate educational or administrative interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; A school official may also include a volunteer, contractor, or consultant who, while not employed by the school, performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of personally identifiable information from education records (such as an attorney, auditor, medical consultant, therapist, or educational technology vendor); or any parent/guardian or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility or contractual obligation with the district.

Upon request, the District discloses education records without consent to officials of another school district in which a student has enrolled or intends to enroll, as well as to any person as specifically required by State or federal law. Before information is released to these individuals, the parents/guardians or eligible student will receive prior written notice of the nature and substance of the information, and an opportunity to inspect, copy, and challenge such records.

Academic grades and references to expulsions or out-of-school suspensions cannot be challenged at the time a student's records are being forwarded to another school to which the student is transferring.

Disclosure is also permitted without consent to: any person for research, statistical reporting or planning, provided that no student or parent/guardian can be identified; to another school district that overlaps attendance boundaries with the District, if the District has entered into an intergovernmental agreement that allows for sharing of student records and information with the other district, any person named in a court order; appropriate persons if the knowledge of such information is necessary to protect the health or safety of the

student or other persons; and juvenile authorities when necessary for the discharge of their official duties who request information before adjudication of the student.

5. The right to a copy of any school student record proposed to be destroyed or deleted.

The permanent record is maintained for at least 60 years after the student transfers, graduates, or permanently withdraws. The temporary record is maintained for at least 5 years after the student transfers, graduates, or permanently withdraws. Temporary records that may be of assistance to a student with a disability who graduates or permanently withdraws, may, after 5 years, be transferred to the parent/guardian or to the student, if the student has succeeded to the rights of the parent/guardian. Federal law requires a secondary school to grant military recruiters and institutions of higher learning, upon their request, access to secondary school students' names, addresses, and telephone numbers, unless the student's parent/guardian, or student who is 18 years of age or older, submits a written request that the information not be released without the prior written consent of the parent/guardian or eligible student. If you wish to exercise this option, notify the building principal.

Chapter 12: Parental Right Notifications

12.20 Standardized Testing

Students and parents/guardians should be aware that the State and District require students to take certain standardized tests, including the following:

Parents/Guardians are encouraged to cooperate in preparing students for the standardized testing, because the quality of the education the school can provide is partially dependent upon the school's ability to continue to prove its success in the state's standardized tests.

Parents can assist their students achieve their best performance by doing the following:

- a) Encourage students to work hard and study throughout the year;
- b) Ensure students get a good night's sleep the night before exams;
- c) Ensure students eat well the morning of the exam, particularly ensuring they eat sufficient protein;
- d) Remind and emphasize for students the importance of good performance on standardized testing;
- e) Teach students the importance of honesty and ethics during the performance of these and other tests;
- f) Encourage students to relax on testing day.

SAT Suite of Assessments- The state required test given to students in grades 9-11. The results will show how well our school and district is doing in meeting the adopted Illinois Learning Standards, also known as the Common Core State Standards, for learning. Individual student results of the SAT assessment will be reported to parents, and school results will appear on the district report card.

Measures of Academic Progress (MAP): New Berlin High School uses the Northwest Evaluation Association (NWEA) Measures of Academic Progress (MAP) Assessment to measure the math and reading progress of our 9-11th grade students. MAP tests are adaptive; meaning the difficulty of questions is determined by how students answer previous questions in the assessment. When students answer questions correctly, the questions become more difficult. When students answer questions incorrectly, the test adjusts and the questions become easier. The final score, measured in a RIT (Rasch Unit) score, is the estimate of the student's achievement level in that subject. MAP data is used to monitor growth over time, particularly growth from year to year, and growth within a school year. These tests are used to determine course placement in intervention courses. Students placed in intensive reading and/or math have been determined to perform below grade level and need extra support to perform at grade level.

Illinois Science Assessment (ISA) - In compliance with federal testing requirements, Illinois will administer a science assessment to students enrolled in a public school district in grades 5, 8 and 11. The high school assessment utilizes a course-based model with content aligned to Biology I. The assessment will be administered in an online format and is aligned to the Illinois Learning Standards for Science incorporating the Next Generation Science Standards (NGSS), which were adopted in 2014.

District 16 has an Integrated Pest Management (IPM) Policy which incorporates building maintenance, sanitation, physical barriers and as a last resort, the most safe, effective means of pesticide. Although we have no intention of spraying or fogging with pesticides, in the unlikely event this is found to be necessary, the district maintains a registry of parents/guardians of students who have registered to receive written or telephone notification prior to the application of pesticides to school grounds. Notification will be given before application of the pesticide. Prior notice is not required if there is imminent threat to health or property. By putting your name on this list, you are asking to be notified two days before an airborne pesticide application. In the event of an extreme emergency and pesticides must be used immediately, we will notify you as soon as possible. To be added to the list, please contact the Superintendent's office at 217-488-2040.
