ACTION PLAN

STRATEGY NUMBER: <u>6</u> PLAN NUMBER: <u>2</u>

STRATEGY: Develop a system to ensure that each student has a challenging, customized learning plan that accompanies him/her throughout the educational process.

SPECIFIC RESULT: Create a technology solution to host the customized learning plan.

# Action Step (Number each one) Identify existing CISD databases and determine compatibility with additional information to be gathered. Utilize the portal system to merge existing databases with new information as gathered. Create customized reporting features within the portal framework.			Assigned	Starting	Due	Completed
