It is recommended that the board approve the attached list of additional nominees for open seats on the Parent Advisors for Special Education committee (PASE) for the 2024-2027 term.

**BACKGROUND:**

Attached is a list that includes the additional approved nominees submitted from local districts and charters for open PASE seats for the 2024-2027 term. I would appreciate the recommendation for approval of these nominees to the Kent ISD Board of Education on November 11, 2024
