RE: Replacement of existing York 5 ton residential split system at High School Gymnasium

**BASE PROPOSAL**

Hoelscher Services LLC proposes to provide labor and material for the complete installation of one new Carrier 14 SEER 5ton electric cool/ natural gas furnace residential style split system for the sum of \$ 8,750.00. This proposal is valid for 30 days and includes:

1. The removal and proper disposal of existing York residential style split system.
2. The provision and installation of one new Carrier 5 Ton 14 SEER R-410A condenser, one new Carrier 135MBTU natural gas furnace, one new Carrier 5 ton evaporator coil, digital thermostat, and air filter base for standard air filter installation.
3. The provision and installation of ductboard adapters to match new system with existing ductwork.
4. The re-use of existing duct system, thermostat wiring, high voltage wiring, condenser base, condensate piping and refrigerant piping. We will use a flush material to clear the existing lines of the old refrigerant and refrigerant oil.

**WARRANTY**

All Carrier equipment brings a standard manufacturer warranty of 1-year on all parts with a customer registration. Hoelscher Services LLC guarantees the workmanship of the installation for a period of one year.

**PAYMENT**

Payment will be made upon receipt of invoices. Invoices shall be issued as work is completed.

**SUBMITTED (by Contractor)**

**APPROVAL( by Customer)**
