Re: Proposal from Great Northern Consulting

As you know, at the Board of Education Study Session on Monday, August 6, 2018, you and I discussed with the Board the vacant properties owned by the District. At that time, the Board asked me to investigate entering into an agreement with Mr. Bill Bowman from Great Northern Consulting Group for him to review five (5) vacant properties owned by the District.

Since that August meeting, I have received a proposal for professional services from Mr. Bowman's company, Great Northern Consulting, which is included with this memo for the Board's review. I would like to continue the discussion at the Monday October 15, 2018 Building and Site committee meeting to determine next steps for the District.

Please let me know if there are any questions. Thank you.
