

TO: Policy Committee
FROM: Anne Giarrante
RE: Policy Review
DATE: February 27, 2017

The following policy needs to be reviewed by the District #304 Policy Committee.

Policy 5111.02: Homeless Students

Per the inspection completed by the Regional office of Education, Policy 5111.02 needs the following language to be added:

The district has ensured the enrollment of homeless children is ongoing and is not delayed due to scheduling issues.

The District already follows this guideline and this will not change our practices.
