Re: Adoption of Student Travel Policy FMG (LOCAL)

The attached policy was adopted on August 22, 2005. For what ever reason, TASB never received the attached adopted policy in 2005. It appears that on April 24, 2006, the old student travel policy was adopted by the board because TASB did not have the new policy in place. As we prepared for Update 81, we discovered the old policy had been adopted in April 2006. We have been following the attached policy since August 22, 2005.

The board needs to adopt the CISD Student Travel as it was adopted on August 22, 2005, again.
