
Americans with Disabilities Act/Section 504

Section 504 of the Rehabilitation Act of 1973 (“Section 504”) prohibits discrimination against individuals with a disability in any program receiving Federal financial assistance. Similarly, Title II of the Americans with Disabilities Act of 1990 (“Title II” or “ADA”) prohibits discrimination against individuals with a disability by state and local governments. To be protected under Section 504 and the ADA (“collectively, “Section 504/ADA”), an individual must (1) have a physical or mental impairment that substantially limits one or more major life activities; (2) have a record of such an impairment; or (3) be regarded as having such an impairment.

In order to fulfill its obligation under Section 504/ADA, the Madison Public Schools recognize a responsibility to avoid discrimination in policies and practices regarding its personnel, students, parents/guardians and members of the public who participate in school sponsored programs, which may require reasonable modifications to such policies and practices. In this regard, the Madison Public Schools prohibit discrimination against any person with a disability in any of the services, programs or activities of the school system.

The ~~school district~~ District has specific responsibilities under Section 504 to identify, evaluate and provide an educational placement for students who have a physical or mental impairment that substantially limits a major life activity. The school district’s obligation includes providing access to a free appropriate public education (“FAPE”) for students determined to be eligible under Section 504/ADA. Under Section 504, FAPE is defined as the provision of regular or special education and related services that are designed to meet the individual educational needs of a student with a disability as adequately as the needs of students without disabilities are met, and that are provided without cost (except for fees similarly imposed on nondisabled students/parents).

If ~~the parent/guardian of a student’s parent/guardian disagrees~~ disagrees with the decisions made by the professional staff of the school district with respect to the identification, evaluation or educational placement of ~~his/her~~ their child, ~~the~~ such parents/guardians ~~has~~ have ~~has the a~~ right to request an impartial due process hearing.

In addition, a student or parent/guardian of a student may also file an internal grievance/complaint on these issues or any other type of discrimination on the basis of disability by or within the district by utilizing the grievance/complaint procedures outlined in the Board's Administrative Regulations Regarding Students and Section 504 of Rehabilitation Act of 1973 and Title II of Americans with Disabilities Act, and/or may file a complaint with the Office for Civil Rights, U.S. Department of Education ("OCR"):
