School Board Meeting Agenda Item

Topic: Adoption of Policy
Contact(s):
Presenter(s): Karsten Anderson, Superintendent

Nature of Action Requested by Board

Board action
Board information or scheduled report

Background Information

MSBA recently released a face covering policy that should be adopted by the school district to clearly explain expectations for face coverings. Usually, board policies are presented at three meetings—first reading, second reading, and approval—but we will approve this as an emergency. As a result, we will need to proceed through the three stages of readings and approval within the next 12 months.

Recommendation

I move to approve Policy 808 as presented.
