Subject: Review and consider (LOCAL) policies to add, revise or delete regarding Update 112.

Rationale: Update 112 updates (LEGAL) policies that were affected by changes in administrative rule and commissioner of education rulings. Several (LOCAL) policies have been updated as well to better align with these changes or for organization and restructuring purposes. Significant restructuring of Ad Valorem Tax policies have led to changes in local policy as well. The largest number of legal changes have been to instruction including the newly mandated instruction on proper interaction with police officers, changes in dyslexia screening and bilingual education. These policies were revised through TASB Policy Service and are compliant with current legal regulations.

Recommendation: Add, revise, or delete (LOCAL) policies as recommended by TASB Policy Service and according to the Instruction Sheet for TASB Localized Policy Manual Update 112.
