Each District secondary school campus shall offer an opportunity for noncurriculum-related student groups to meet on school premises during noninstructional time.

The District has not established a limited public forum for elementary school students to meet as noncurriculum-related student groups on school premises during noninstructional time. [See GKD for community access]

Sponsorship

Noncurriculum-related student groups shall not be sponsored by the District and shall in no way imply to students or to the public that they are school-sponsored. All letterheads, flyers, posters, or other communications that identify the group shall contain a disclaimer of such sponsorship.

District personnel shall not promote, lead, or participate in the meetings of noncurriculum-related student groups.

[For student activities sponsored by the District and having subject matter and purposes directly related to the school's curriculum, see FM]

Requests

To receive permission to meet on school premises during noninstructional time, interested students shall file a written request with the principal or designee on a form provided by the District.

The students making the request shall indicate that they have read and understand the policies and rules governing nonsponsored, noncurriculum-related student groups and that the group will abide by those rules.

Approval

The principal or designee shall approve or reject the request within seven school days, subject to the availability of suitable meeting space and without regard to the religious, political, philosophical, or other content of the speech likely to be associated with the group's meetings.

Approval to meet as a nonsponsored, noncurriculum-related group shall be granted for one school year at a time, subject to the provisions of this policy. **Students must have parental permission to attend and participate in meetings.**

Meetings

The principal or designee shall designate noninstructional time for meetings of nonsponsored, noncurriculum-related student groups and shall assign each approved group an appropriate location and time.
