

## **ALEDO ISD BOARD MEETING TEMPLATE**

**MEETING DATE:** February 28, 2019

**AGENDA ITEM:** 2019-2020 Instructional Technology Plan

**PRESENTER:** Amber Crissey, Assistant Superintendent of Curriculum and Instruction, Brooks Moore, Director of Technology & Melissa Quisenberry, Instructional Technology Specialist

### **BACKGROUND INFORMATION:**

In an effort to increase future readiness in our students, AISD would like to move to an instruction technology model that will support student learning and development of 21<sup>st</sup> century learning skills, will increase student's access to technology for meaningful technology integration, and will promote opportunities for learning management system integration. This model will also be designed to support and enhance the district-wide instructional focus.

This instructional technology plan will require the addition of Chromebooks in classrooms, as well as additional Chromebook carts.

This technology roll-out will be supported with ongoing teacher technology integration professional learning courses that include:

- Level 1, Beginner Basics Training
- Level 2, All Teacher Required Training
- Level 3, Take it to the Next Level Training
