**1. Provide a DETAILED RATIONALE explaining how the waiver will enhance student learning opportunities, promote innovation, or increase equitable access to effective teachers. Include information about the problem or obstacle, if any, the waiver will help the district overcome.**

This specific waiver is being requested to allow the Nemo Vista School District to the set the first day of school no earlier than the Wednesday of the week prior to the week that contains the August 19th start date established by A.C.A. 6-10-106.

This waiver will allow our district to add additional instruction early in our school year to front load as much instructional time for our students prior to inclement weather and the high stakes assessment in the month of April.

Additional advantages of the waiver:

1. The waiver will ensure that our district can meet the minimum days required for the 1st and 2nd quarter to be completed prior to the Christmas Break.
2. This waiver will help ensure that we can complete the school year in May rather than extending in June. This can help our State's tourism industry for Memorial Day and the month of June.
3. This waiver will increase the number of in-person, onsite instructional days prior to the high stakes assessment in April-May.

**2. Provide a detailed explanation of how the services being waived will be provided for students.**

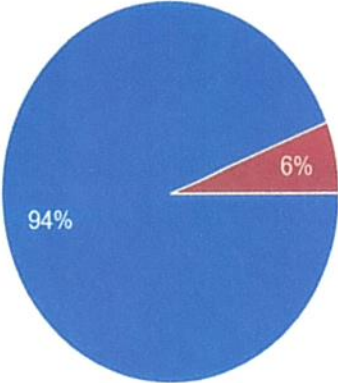

The Nemo Vista School District will utilize an academic calendar that will exceed the 1,068 hours of required instruction and allow flexibility throughout the school year to ensure that instruction time is front loaded prior to the high stakes assessment in April-May to benefit our students' learning.

**3. Provide a detailed explanation of how the district will monitor and evaluate the effectiveness of the waiver.**

The Nemo Vista School District will monitor attendance data and student learning data to measure the effectiveness of the earlier start date.
