

MEETING DATE: August 28, 2023

AGENDA ITEM: Consider Approval of Adoption of Tax Rate for the 2023-2024 Fiscal

Year

PRESENTER: Earl Husfeld, Chief Financial Officer

BACKGROUND INFORMATION:

• After adoption of the fiscal year budget, the Board of Trustees must adopt a tax rate through the adoption of an ordinance, resolution, or order.

- The tax rate consists of two components, Maintenance and Operations (M&O) and Interest and Sinking (I&S).
- The following ordinance provides for the levying and assessing of ad valorem taxes for the Aledo Independent School District for tax year 2023.
- The ordinance establishes a total tax rate of \$1.2075 per one hundred dollars of value, with \$0.7575 being allocated to the General Fund (M&O) and \$0.4500 allocated to the Debt Service Fund (I&S).
- The proposed total tax rate of \$1.2075 is the tax rate needed to fund the 2023-2024 fiscal year budget approved by the Board of Trustees during the meeting this evening.
- The proposed tax rate of \$1.2075 is a decrease of \$0.1604 from the 2022 tax rate of \$1.3679.
- Although the proposed tax rate of \$1.2075 is actually \$0.1604 less than the 2022 tax rate, state law requires that the motion for the adoption of the tax rate states that the 2023 proposed tax rate is a 1.40% "increase" in the tax rate. See the wording of the recommendation below. Attached for your review are worksheets showing the required calculations that determined this "increase."

FISCAL INFORMATION:

The proposed tax rate is the tax rate needed to fund the 2023-2024 fiscal year budget.

ATTACHMENTS:

An Ordinance Levying and Assessing Ad Valorem Taxes for the Aledo Independent School District for the 2023 Tax Year, Worksheet for Determination of Steps Required for Adoption of Tax Rate, and 2023 Tax Rate Calculation Worksheet

ADMINISTRATIVE RECOMMENDATION:

The Administration recommends the Board of Trustees move that the property tax rate be increased by the adoption of a tax rate of \$1.2075, which is effectively a 1.40% increase in the tax rate and adopt the following ordinance levying and assessing ad valorem taxes for the Aledo Independent School District for the 2023 tax year. This ordinance sets the 2023 total tax rate at \$1.2075 per one hundred dollars of valuation, of which \$0.7575 is allocated to the General Fund and \$0.4500 is allocated to the Debt Service Fund.

AN ORDINANCE LEVYING AND ASSESSING AD VALOREM TAXES FOR THE ALEDO INDEPENDENT SCHOOL DISTRICT FOR THE 2023 TAX YEAR

Whereas, the Board of Trustees of the Aledo Independent School District hereby levies and adopts a tax rate on each one hundred dollars (\$100.00) of assessed valuation on all property, real and personal, situated in the Aledo Independent School District for tax year 2023, except such property as may be exempt from taxation by the Constitution and Statues of the State of Texas, and policies of the Aledo Independent School District; and,

Whereas, the Board of Trustees of the Aledo Independent School District has adopted the 2023-2024 fiscal year budget for the General Fund; and,

Whereas, the Board of Trustees of the Aledo Independent School District has also adopted the 2023-2024 fiscal year budget for the Debt Service Fund, which provides for the repayment of principal, interest, and fees on bonded indebtedness of the District; and,

Whereas, the total tax rate proposed to fund these budgets is less than the voter-approval rate for the 2023-2024 fiscal year; and,

Whereas, all required notices and advertisements relating to the adoption of the tax rates have been posted and printed; and,

Whereas, this meeting has been duly posted for more than 72 hours; therefore,

BE IT RESOLVED AND ORDAINED, the Board of Trustees of the Aledo Independent School District does hereby adopt the tax rates for the local taxes to fund the General Fund budget and the Debt Service Fund budget as follows:

\$ 0.7575

GENERAL INFORMATION: Tax Code Section 26.04(c) requires an officer or employee designated by the governing body to calculate the no-new-revenue tax rate and voterapproval tax rate for the taxing unit. These tax rates are expressed in dollars per \$100 of taxable value calculated. The calculation process starts after the chief appraiser delivers to the taxing unit the certified appraisal roll or certified estimate of value and the estimated values of properties under protest. The designated officer or employee shall certify that the officer or employee has accurately calculated the tax rates and used values shown for the certified appraisal roll or certified estimate. The officer or employee submit the rates to the governing body by Aug. 7 or as soon thereafter as practicable. Tax Code Section 26.04(e-1) does not require school districts to certify the tax rate calculations.

This worksheet is for school districts without Chapter 313 agreements only. School districts that have a Chapter 313 agreement should use Comptroller Form 50-884 Tax Rate Calculation Worksheet, School Districts with Chapter 313 Agreements.

Water districts as defined under Water Code Section 49.001(1) do not use this form. Use Comptroller Form 50-858 Water District Voter-Approval Tax Rate Worksheet for Low Tax Rate and Developing Districts or Comptroller Form 50-860 Developed Water District Voter-Approval Tax Rate Worksheet.

All other taxing units should use Comptroller Form 50-856 Tax Rate Calculation, Taxing Units Other Than School Districts or Water Districts.

The Comptroller's office provides this worksheet to assist taxing units in determining tax rates. The Texas Education Agency (TEA) provides detailed information on and guidance to school districts in calculating their tax rates. Please review and rely on information provided by TEA when completing this worksheet. Additionally, the information provided in this worksheet is offered as technical assistance and not legal advice. Taxing units should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

SECTION 1: No-New-Revenue Tax Rate

The no-new-revenue (NNR) tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of revenue if applied to the same properties that are taxed in both years (no new taxes). When appraisal values increase, the NNR tax rate should decrease.

Line	No-New-Revenue Tax Rate Worksheet	Amount/Rate
1.	2022 total taxable value. Enter the amount of 2022 taxable value on the 2022 tax roll today. Include any adjustments since last year's certification; exclude one-fourth and one-third over-appraisal corrections made under Tax Code Section 25.25(d) from these adjustments. Exclude any property value subject to an appeal under Chapter 42 as of July 25 (will add undisputed value in Line 6). SECTION 2: Voter-Approval Tax Rate

The voter-approval tax rate is the highest tax rate that a taxing unit may adopt without holding an election to seek voter approval of the rate. Most school districts calculate a voter-approval tax rate that is split into three separate rates. 18

- Maximum Compressed Tax Rate (MCR): A district's maximum compressed tax rate is defined as the tax rate for the current tax year per \$100 of valuation of taxable property at which the district must levy a maintenance and operations tax to receive the full amount of the tier one allotment. 19
- Enrichment Tax Rate: 20 A district's enrichment tax rate is defined as any tax effort in excess of the district's MCR and less than \$0.17. The enrichment tax rate is divided into golden pennies and copper pennies. School districts can claim up to 8 golden pennies, not subject to compression, and 9 copper pennies which are subject to compression with any increases in the guaranteed yield. 21
- Debt Rate: The debt rate includes the debt service necessary to pay the school district's debt payments in the coming year. This rate accounts for principal and interest on bonds and other debt secured by property tax revenue.

The MCR and Enrichment Tax Rate added together make up the school district's maintenance and operations (M&O) tax rate. Districts cannot increase the district's M&O tax rate to create a surplus in M&O tax revenue for the purpose of paying the district's debt service. 22

If a school district adopted a tax rate that exceeded its voter-approval tax rate without holding an election to respond to a disaster in the prior year, as allowed by Tax Code Section 26.042(e), the school district may not consider the amount by which it exceeded its voter-approval tax rate (disaster pennies) in the calculation this year. This adjustment will be made in Section 4 of this worksheet.

A district must complete an efficiency audit before seeking voter approval to adopt a M&O tax rate higher than the calculated M&O tax rate, hold an open meeting to discuss the results of the audit, and post the results of the audit on the district's website 30 days prior to the election. 23 Additionally, a school district located in an area declared a disaster by the governor may adopt a M&O tax rate higher than the calculated M&O tax rate during the two-year period following the date of the declaration without conducting an efficiency audit. 24 Districts should review information from TEA when calculating their voter-approval tax rate.

29.	Total 2023 debt to be paid with property tax revenue.						
	Debt means the interest and principal that will be paid on debts that:						
	(1) Are paid by property taxes;						
	(2) Are secured by property taxes;						
	(3) Are scheduled for payment over a period longer than one year; and						
	(4) Are not classified in the school district's budget as M&O expenses.						
	A. Debt includes contractual payments to other school districts that have incurred debt on behalf of this school district, if those debts meet the four conditions above. Include only amounts that will be paid from property tax revenue. Do not include appraisal district budget payments. If the governing body of a taxing unit authorized or agreed to authorize a bond, warrant, certificate of obligation, or other evidence of indebtedness on or after Sept. 1, 2022, verify if it meets the amended definition of debt before including it here.						
	Enter debt amount:						
	B. Subtract unencumbered fund amount used to reduce total debt						
	C. Subtract state aid received for paying principal and interest on debt for facilities through the existing debt allotment program and/or instructional facilities allotment program \$ 325,000						
	D. Adjust debt: Subtract B and C from A.	\$ 27,198,363

33.	2023 debt adjusted for collections. Divide Line 31 by Line 32.						
	Note: If the governing body of the school district governs a junior college district in a county with a population of more than two million, add the amount of taxes the governing body proposes to dedicate to the junior college district in 2022 to the result.	\$ 27,198,363					
34.	2023 total taxable value. Enter the amount on Line 20 of the No-New-Revenue Tax Rate Worksheet.	\$ 5,557,523,746					
35.	2023 debt rate. Divide Line 33 by Line 34 and multiply by \$100.	\$ 0.489397 /\$100					
36.	2023 voter-approval tax rate. Add Lines 28 and 35.	\$ 1.246897 /\$100					
	If the school district received distributions from an equalization tax imposed under former Chapter 18, Education Code, add the NNR tax rate as of the date of the county unit system's abolition to the sum of Lines 28 and 35. 32	The annual of the annual property of the state of the sta					

SECTION 3: Voter-Approval Tax Rate Adjustment for Pollution Control

A school district may raise its rate for M&O funds used to pay for a facility, device or method for the control of air, water or land pollution. This includes any land, structure, building, installation, excavation, machinery, equipment or device that is used, constructed, acquired or installed wholly or partly to meet or exceed pollution control requirements. The school district's expenses are those necessary to meet the requirements of a permit issued by the Texas Commission on Environmental Quality (TCEQ). The school district must provide the tax assessor with a copy of the TCEQ letter of determination that states the portion of the cost of the installation for pollution control.

This section should only be completed by a school district that uses M&O funds to pay for a facility, device or method for the control of air, water or land pollution.

SECTION 4: Voter-Approval Tax Rate Adjustment in Year Following Disaster

If a school district adopted a tax rate that exceeded its voter-approval tax rate without holding an election to respond to a disaster in the prior year, as allowed by Tax Code Section 26.042(e), the school district may not consider the amount by which it exceeded its voter-approval tax rate in the calculation this year. ³⁵ As such, it must reduce its voter-approval tax rate for the current tax year.

This section applies to a school district in a disaster area that adopts a tax rate greater than its voter-approval tax rate without holding an election in the prior year, as provided for by Tax Code Section 26.042(e).

Line	Prior Year Disaster Adjustment Worksheet	Amount/Rate
41.	2022 adopted tax rate. Enter the rate in Line 4 of the No-New-Revenue Tax Rate Worksheet.	\$ 1.367900/\$100
42.	2022 voter-approval tax rate . If the school district adopted a tax rate above the 2021 voter-approval tax rate without holding an election due to a disaster, enter the voter-approval tax rate from the prior year's worksheet.	\$ 0.000000 _{/\$100}
43.	Increase in 2022 tax rate due to disaster (disaster pennies). Subtract Line 42 from Line 41.	\$ 0.000000/\$100
44.	2023 voter-approval tax rate, adjusted for prior year disaster. Subtract Line 43 from one of the following lines (as applicable): Line 36 or Line 40 (school districts with pollution control).	\$ 1.246897 _{/\$100}

				Tax	

Indicate the	applicable total	tax rates as	calculated	above.

No-New-Revenue Tax Rate.	\$ 1.190825 /\$100
Enter the 2023 NNR tax rate from Line 25.	
Voter-Approval Tax Rate	\$ 1.246897 /\$100
As applicable, enter the 2023 voter-approval tax rate from Line 36, Line 40 or Line 44. Indicate the line number used:	

SECTION 6: School District Representative Name and Signature

Enter the name of the person preparing the tax rate as authorized by the governing body of the school district. By signing below, you certify that you are the designated officer or employee of the school district and have calculated the tax rates in accordance with requirements in Tax Code and Education Code. 36
