

Community Education Update
January 27, 2025 School Board Meeting

Greetings from Community Education,

2025 Swimming Lessons

Winter swimming lessons are off to a great start. We had 30 swimmers who participated in our first session of lessons. We have two more sessions of lessons which will run end of January thru mid-March.

Water Aerobics

Our first session of water aerobics has started and we have 16 participants. We are happy to have Sally Wynn back as our instructor. Water aerobics meets on Wednesdays evenings from 6:00-7:00 pm. We have two more sessions scheduled for this year.

FAST Program (Foley Aquatic Swim Team)

We have 17 students participating in FAST. This swim program is for girls and boys, grades 5-11. This is a newer opportunity that introduces competitive swimming and allows for off season workouts.
