

**DU PAGE ELEMENTARY SCHOOL DISTRICT 13**  
**BOARD OF EDUCATION**  
**Bloomington, Illinois**

Regular Meeting     December 16, 2019

**FOR DISCUSSION:**

**Subject:     Architect Selection Process Update**

At the last regular meeting, the Request for Qualification process composed by Mr. Reiniche details the steps that have been taken by the District to make a recommendation to the Board of Education for architectural services. As described in Mr. Reiniche's cover sheet, this is a process designed to improve services that has been used in the past to select the District's legal counsel, choosing to leave the insurance pool, and even change investment strategies.

Mr. Leyden and Mr. Reiniche are prepared to go into greater detail with the data that was collected and shared last meeting and are prepared to address any of your questions or concerns. The administration will bring forth a recommendation for an architectural firm to be approved at the January regular meeting of the Board of Education.
