

Cameron Middle School

Board Report

July 28, 2025

Recognition

Thank you to our Tech. Department of Tim Getchell and Peter Metzger for their network updating, recommendations for products, and setup for the new year.

Thank you to our custodial staff who continue to work around the construction and keep summer cleaning moving forward.

Current Enrollment

5 - 78	6 - 72	7 - 58	8 - 89	Total = 297
--------	--------	--------	--------	-------------

Summer Updates

7/10 - 7th grade teachers: Chantel Randall, Jake Ebner, Casey Miley, and Troy LaVallie met to discuss Social Studies curriculum. Mr. LaVallie was the mentor for this process.

7/10 - Administration Team met to discuss: AI policy and practice, computer passes, In-Service topics, Restorative Practices training, safety drills, office door controls, and testing our emergency buttons.

Summer Rec. opportunities continue to fill our school through the construction with basketball camps, football camps, lifting, and other opportunities.

The CMS Office team has been busy scheduling, updating handbooks, ordering resources, and preparing our back to school letters and in-service days.

Upcoming Events
