

**FOREST LAKE AREA SCHOOLS
FOREST LAKE, MN 55025**

December 3, 2015

AGENDA ITEM: 10.3

**TOPIC: FIRST READING OF PROPOSED NEW COURSE:
CHINESE V**

BACKGROUND: During the 2012-13 school year, Chinese I was added to the course offerings provided by the World Language Department. In order to continue the sequences of Chinese courses for students currently enrolled, offerings must be expanded to include Chinese V for the 2016-17 school year.

PROCESS: To continue the sequence of Chinese Language classes, the World Language Department is preparing a course outline for the proposed Chinese V course. Students who choose to continue their study of Chinese will be able to access a College in the Schools (CIS) course to further their study in this language. The course outline, description and standards information will be available on December 3, 2015.

RECOMMENDATION: First Reading of Proposed New Course: Chinese V
