Adopted: June 19, 2017

MSBA/MASA Model Policy 534

Orig. 2017

Rev. 2019

Revised: \_\_\_\_\_

**534 UNPAID MEAL CHARGES**

**I. PURPOSE**

The purpose of this policy is to ensure that students receive healthy and nutritious meals through the school district's nutrition program and that school district employees, families, and students have a shared understanding of expectations regarding meal charges. The policy seeks to allow students to receive the nutrition they need to stay focused during the school day and minimize identification of students with insufficient funds to pay for school meals as well as to maintain the financial integrity of the school nutrition program.

**II. PAYMENT OF MEALS**

- A. Students have use of a meal account. When the balance reaches zero, a student may charge no more than \$5.00 to this account. When an account reaches this limit, a student shall not be allowed to charge further meals or a la carte items until the negative account balance is paid. Families are encouraged to utilize the district's online payment system to add money to lunch accounts. Payments via cash or check can be dropped off at the main office.
- B. If the school district receives school lunch aid under Minn. Stat. § 124D.111, it must make lunch available without charge to all participating students who qualify for free or reduced-price meals regardless of account balance.
- C. A student with an outstanding meal charge debt will be allowed to purchase a meal if the student pays for the meal when it is received.
- D. The school district will accommodate special dietary needs and will make reasonable substitutions to meals on a case-by-case basis for children who are considered to have a disability that restricts their diet. A special diet statement form (Attachment A) must be completed and returned to the Food Service Director in order for a student to receive an alternative meal. The cost of the alternative meal will be discussed with parents/guardians and will be charged to the student's lunch account or otherwise charged to the student.
- E. When a student has a negative account balance, the student will not be allowed to charge a snack item.
- F. If a parent or guardian chooses to send in one payment that is to be divided between sibling accounts, the parent or guardian must specify how the funds are to be distributed to the students' accounts. Funds may not be transferred between

sibling accounts unless written permission is received from the parent or guardian.

**III. LOW OR NEGATIVE ACCOUNT BALANCES – NOTIFICATION**

- A. The school district will make reasonable efforts to notify families when meal account balances are low or fall below zero.
- B. Families will be notified of an outstanding negative balance once the negative balance reaches \$5.00. Families will be notified by email and/or a letter sent home.
- C. Reminders for payment of outstanding student meal balances will not demean or stigmatize any student participating in the school lunch program.

**IV. UNPAID MEAL CHARGES**

- A. The school district will make reasonable efforts to communicate with families to resolve the matter of unpaid charges. Where appropriate, families may be encouraged to apply for free and reduced-price meals for their children.
- B. The school district will make reasonable efforts to collect unpaid meal charges classified as delinquent debt. Unpaid meal charges are designated as delinquent debt when payment is overdue, the debt is considered collectable, and efforts are being made to collect it.
- C. Negative balances of more than \$30.00 will receive monthly notices. After the third notice, the account will be turned over to the superintendent or superintendent's designee for collection. Collection options may include, but are not limited to, use of collection agencies, claims in the conciliation court, or any other legal method permitted by law.
- D. The school district may not enlist the assistance of non-school district employees, such as volunteers, to engage in debt collection efforts.

E. The school district may not deny any student the opportunity to participate in graduation ceremonies or other commencement activities due to unpaid meal charges.

**V. COMMUNICATION OF POLICY**

- A. This policy and any pertinent supporting information shall be provided in writing (i.e., mail, email, back-to-school packet, student handbook, etc.) to:
