Re: Recommendation to hire Anjali Glowacz as a paraprofessional for the 2025-26 School Year

To support our students with IEPs, we are excited to welcome a new paraprofessional to our team: Anjali Glowacz. Anjali is a district parent with nearly 10 years of teaching experience under her belt, including working with 3rd graders and leading hands-on science lessons all the way through junior high. She also has a history of working with special education classrooms. Anjali's references were glowing, with her past colleagues citing her knowledge, care, passion, and leadership as key attributes to success. She has also served on our Parent Handbook panel. We're excited to have her join our team!
