Elementary Initiatives

- Quarterly Bravo Breakfast Celebration
- Staff/Student soccer game
- Hallway chains (A link is added for meeting hallway behavior expectations.) The class with the longest chain gets a trophy for the week.
- 100% of teachers using CAB cards and participating in the Tier 1 processes.
- Lesson plans and explicitly teaching behavioral expectations on the matrix.
- Over 80% of staff at Loves Park has volunteered to be a CICO mentor.
- Social and Academic groups meet weekly with the school social worker if the student has not met their CICO goal.
- FBA/BIPs completed when students are not successful at Tier 2.
- PBIS data is processed during MTSS (RtI) meetings.
- Students are acknowledged with certificates for successful completion of CICO.
- A fancy lunch table is set up every other Friday for grade level CAB card winners.
- Daily Kindness Counts winners.
- Monthly whole school PBIS drawings from CAB cards not picked for the lunch table.
- Strong Morning Meeting implementation.
- Strong staff example of responsible, respectful, and ready to learn behavior.
- Quarterly celebrations.
- Weekly drawings for positive behavior
- YouTube video to build community
- Ice cream celebration
- Prince Alonzo assembly

Middle School Initiatives

- 10 weekly PBIS “Pawsitive Mark” drawing winners
- 10 weekly perfect attendance drawing winners
- Fit for Life weeklong event with kickoff assembly featuring Sean Considine
- Muffins with Moms event before mother’s day with 150 mother-figures attending
- AAA assembly for academics, attitude, and attendance
- 7th and 8th grade awards nights
- Gave out 30 Magic Waters/Rockford Aviators tickets to “frequent fliers” whose behavior improved
- Gave over 140 free Subway sandwiches to teachers to distribute to students who regularly demonstrated Huskie Habits
- Showed a student-produced “use technology safely” video to the whole student body
- Limousine Lunch for top Check-In/Check-Out students.

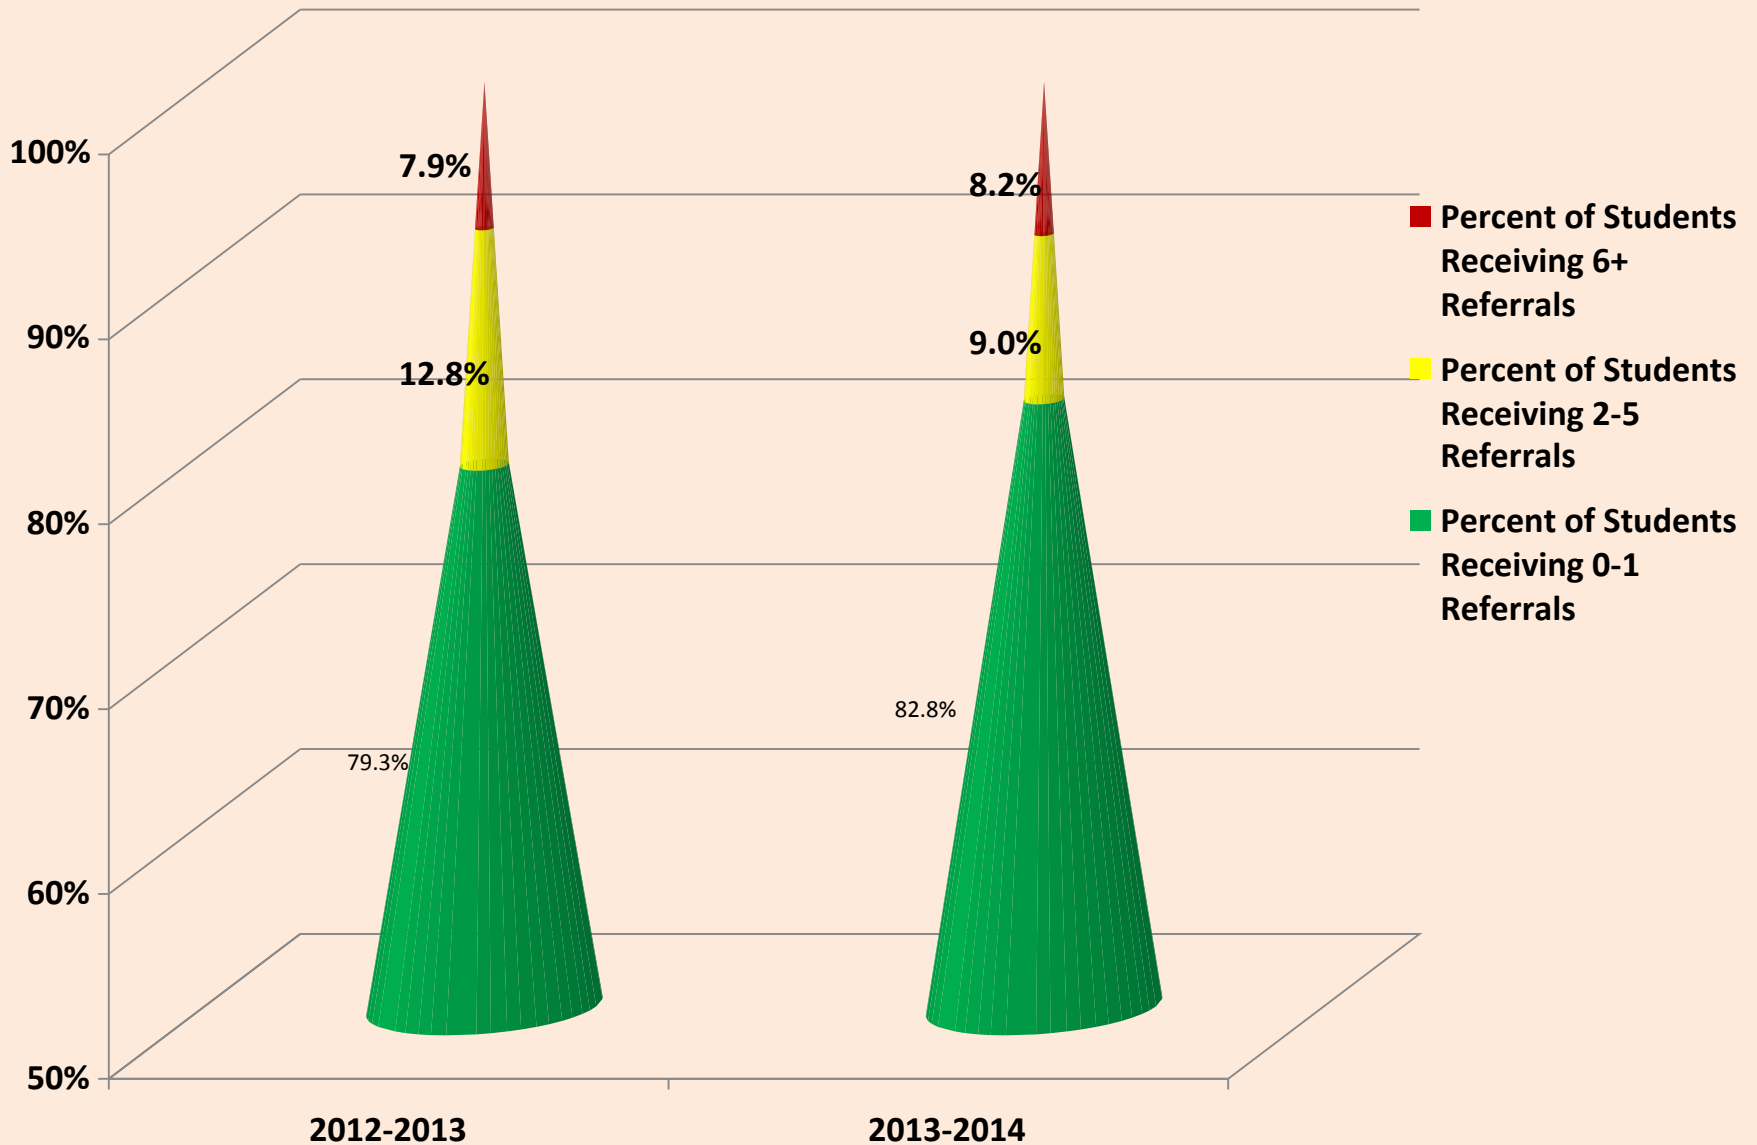

Middle School Next Steps

- Continue to recruit father-figures for our Watch D.O.G.S. mentoring program with Donuts for Dads kickoff event in August
- Consider having PTO meetings before school to increase attendance
- Create a section in the school store for students to spend Pawsitive Marks
- Create a connection group focusing on Tier 3 students from 13-14

HH9 4th Quarter Initiatives

- Continued PBI S tier 1 initiatives including pride stickers and random reward reinforcers of expected behavior
- Continued top dog initiative with student being nominated by teachers for following the pride matrix
- Utilized discipline data to identify March as peak disciplinary referral month, teachers were proactive in addressing student behavior.
- April/May showed significant increase over previous years in number of disciplinary referrals
- After decrease in percentage of Special Education subgroup receiving referrals saw increase in 4th quarter
- Continue to see increase in percentage of students participating in check-in checkout as well as those responding at the 80% level.
- Implemented student climate survey
- PBIS Universal team met with students to get perspective of student climate survey results
- End of year PBIS celebration in conjunction with PRIDE card recognition
- Recognized all students who received perfect attendance for the year
- PBIS Tier 1 and Tier 2 teams both met to discuss next year and ways to address students in a proactive manner earlier
