

Executive Summary

Prepared for Board of Trustees Meeting

June 25, 2013

2013 State Accountability System

Board Goal:

TEACHING & LEARNING:

- advocate and practice true accountability based on measurement of individual student progress over time, regardless of external mandates

Purpose of Report

The purpose of the workshop is to give the Board an introduction to the new State of Texas Statewide Accountability System.

Objectives

- Identify the four Performance Indexes from the system
- Explain each Performance Index and how each is to be calculated
- Share the rating system using the Performance Indexes
- Share the STAAR performance data from 2013 for Denton ISD and State of Texas

Operational Impact

The district and individual campuses will address areas not meeting standards in the District and/or Campus Improvement Plans.

Results

The newly approved Statewide Accountability System for student performance will be used for communicating district and campus performance including STAAR (EOC), closing achievement gaps, performance growth, and post-secondary readiness.
