

PUTNAM COUNTY COMMUNITY UNIT SCHOOL DISTRICT #535

Recommendation for the Board of Education

Meeting: April 22nd, 2025

Item: Sell or Dispose of Previous Weight Room Equipment

Recommendation: I recommend the Board of Education approve the resolution to sell or dispose of the previous weight room equipment. With the purchase of new equipment approved by the Board of Education in March 2025, the District will need to remove and get rid of the old equipment. Upon approval of this resolution, any equipment that is not needed in the District will be advertised for sale as surplus property.

Mr. Newsome plans to use his contacts across the State to advertise the sale. If there is no interest from that initial notice, then we would use local and social media notices to sell individual pieces. If the District is not able to sell the equipment, it will be scrapped for revenue.
