## **Homedale High School – Cafeteria & Locker Room HVAC Upgrade**

- We will be working with Design West in developing construction documents for this project. The cost per hour for Design West on this project is the same hourly rate as previous projects when they worked with the district. The plan is to work on this project during the summer.

## **Post Legislative Tour**

- The State Department of Education just completed their post legislative tour. We were able to stay in the district and watch the sessions via Legislature Live on our computers.

## **Blue Cross**

- We have not heard any information about insurance rates for the next school year. We have a meeting on April 17<sup>th</sup> where we expect to receive more information.
