

SOUTH SAN ANTONIO INDEPENDENT SCHOOL DISTRICT

Agenda Item Summary

Meeting Date: January 18, 2023

Agenda Section: Recognition

Agenda Item Title: SSAISD Business Department awarded Transparency Star Award - Traditional Finances

From: Alexis L. Castillo, Director of Communications and Marketing

Additional Presenters if Applicable:

Description:

The Texas Comptroller of Public Accounts awards the South San Antonio Independent School District the Traditional Finances Star for exemplary efforts in creating financial transparency around public finance. The Transparency Stars program recognizes local governments across Texas that are striving to meet a high standard for financial transparency. The award recognizes South San Antonio ISD efforts in providing citizens with clear, consistent information about public spending in user-friendly formats.

SSAISD's very own Chief Financial Officer Tony Kingman stated "This recognition is another example of the great support that the business office staff have given the district throughout the years. The district greatly appreciates and values our staff's hard work and contribution"

Since the award was created, only two districts in Bexar County have ever received this award.

Recommendation: To recognize our business department and SSAISD for receiving this prestigious award.

Funding Budget Code and Amount: N/A
