The Executive Directors Report was provided by Superintendent Denean Adams. The District is honored to have had 40 parent volunteers that were able to have back ground checks thanks to the grant funding received from the board. In addition, the Commission sponsored a Parent Institute. There was a recommendation for the board to consider sponsoring bus for transportation. It was recommended by Dr. Bridges-Webb. The bus transportation will encourage parent participation. There were 600 parents at the 2015 event.

For the Good of the Order:

Dr. Bridges-Webb recommended that we start a membership drive. We also discussed that we should meet every third Tuesday as a board. As a result, we can send out a calendar of dates so that board members can have them on their calendar. In addition, John Ball's Omega Psi Phi Fraternity, Inc., is having their Golf Outing at Glenwoodie on June 18, 2015. Dr. Lela Bridges-Webb motioned that we purchase a Hole Sponsorship @ \$150. Kimberly Jones second the motion. All present were in favor with a resounding aye.

The next meeting date June 2, 2015.
