Dear, Nicole Fricano

I am writing to formally resign from my **Paraprofessional** position at **Waterbury/Keeneyville** with my last working day being **December 19, 2025**.

As I shared with you at the beginning of the school year, my childcare situation has become increasingly difficult. My mother-in-law, who has been our primary babysitter, will be leaving to Mexico after Christmas. With two little ones at home (2 year old and 1 year old) and limited daycare options that are within our budget, I unfortunately do not have reliable childcare to continue in my current role.

I am incredibly grateful for the opportunity to work here as a Para since November 2023. I have learned so much from every teacher I have supported and will always cherish the memories and friendships I have made. This school has truly felt like a second home.

Although I must resign from my paraprofessional position, I would like to request to be added to the **substitute list** for the building, as I do hold my sub license. Once my childcare situation improves, I hope to stay connected and possibly return in the future full time.

Thank you again for your understanding and support. Please let me know if there is anything I can do to help with the transition.

Sincerely,  
Yasmin A Gabriel Borjas
