  - Expanded to all secondary resource ELA classes
  - Currently expanding to all elementary campuses
  - Currently expanding to ESL students at West and East

06-07 Data Analysis Summary

	Grade	# Valid Student Records*	% Students w/ Gain	Avg. Lexile Gain of + Growth	% Students w/ 2+ Years Gain
Pinkerton	3-5	9	100%	267	67%
Wilson	4,5	18	89%	196	39%
Mockingbird	4,5	23	91%	156	30%
Lee	3-5	24	92%	175	33%
Valley Ranch	4,5	20	75%	151	25%
West	6-8	30	73%	224	37%
North	6-8	29	59%	182	24%
East	6-8	38	63%	113	18%
CHS	9-12	60	65%	150	33%
Total	**3-12**	**251**	**74%**	**170**	**31%**

*Valid records include all students with two or more test scores at least six weeks apart in the same academic year with **READ 180** software usage data.

06-07 Takeaways

- READ 180 is delivering significant reading gains in CISD

- All 9 schools demonstrated average Lexile gain, with average gain of 24 to 267 Lexiles

- 59% to 100% of students within each school have demonstrated average Lexile gains

- Students at Lee, Mockingbird, Pinkerton, Wilson, North, West, and CHS have demonstrated growth a full grade level gain* or greater

*One grade level equals a gain of 100 or more lexiles in grades 1-5, 75 or more lexiles in grades 6-8, and 50 or more lexiles in grades 9-12.
