

## MISD District Scorecard

### Priority 1 - Student Excellence

**Performance Objective 1.2 : Graduate students with CCMR indicator\* [TARGET 97%]**

---

#### Summary:

This data below is “Lead” data for our 25-26 graduating Senior class. As of Fall 2025 (BoY), **64%** of the upcoming graduating class has met their CCMR indicator criteria. The remaining 36% are on-track and in the process. The percentage reflected is lower than last year at this time, because last year’s CTE students only had to be concentrators and not Program of Study-completers. We fully anticipate to have 100% of this graduating class College and Career or Military ready.

#### **2026 MHS Seniors On-Trac or Met CCMR as of Fall 2025** (as of 01/16/2026)

#### **64% Seniors have completed CCMR component**

Total Seniors = 65

*These students will be represented in our Accountability Rating, released in August 2026. Their Graduation Rate will be represented in our 2027 Accountability Rating.*
