

BOARD REPORT

TECHNOLOGY

December 2025

I am continuing to update hardware and firmware for wireless network.

We did MAP testing on Dec 1st with the Junior and Senior High and all went smoothly.

I am continuing to update Business classroom with new computer and doing inventory of the equipment purchased with OKAW grant.

I am continuing to replace technology in all the CTE classes

We are getting a lot of Phishing emails, working on training staff on how to deal with them and how to look out for them.

We are doing Phishing emails for training

I have Set up system for dark web monitoring

The new screen for Bluffview gym will be arriving this week, need to finish the install

E-Rate workshop is this month, we get 80 percent of our network paid for.

Going through all classrooms to make sure everything is working properly and updating where we can.

Fixing all day to day problems as needed.
