

## LPSD SHINING STARS, DECEMBER 2023

NAME	LOCATION	REASON	NOMINATOR, POSITION
Tony Wassillie	Igiugig	Tony, our amazing maintenance and custodial worker has been working extremely hard to make our school amazing. He trained and then cleaned carpets that had previously not been cleaned for several years. He worked with Carl to learn about the rest of the system operations and day-to-day maintenance of the facility. Tony has also substituted for multiple positions, really helping to keep our school running. We truly appreciate everything he does and cannot thank him enough! Congratulations are in order as Tony is our November employee of the month!	Stephanie Canning, Teacher
Betsy Hostetter	Igiugig	Betsy has been the backbone of the school for many, many years. She is full of wisdom, influence, and passion. Without Ms. Betsy, I am honestly not sure how we would survive. She is fundamental in the lower elementary classroom. Helping to shape their young minds. Congratulations are also in order as Ms. Betsy is our December employee of the month!
